

A RESOLUTION PROVIDING CONSENT TO PETITION FOR SPECIAL USE PERMIT FOR WIRELESS BROADBAND ANTENNAS AND EQUIPMENT

WHEREAS, the City of Rolling Meadows is presently negotiating with Clear Wireless, LLC which wishes to install wireless broadband antennas and related equipment on the free-standing tower on property owned by the City located at 2455 Plum Grove Road; and

WHEREAS, in accordance with the City of Rolling Meadows' Zoning Code, it is necessary that this company seek approval of a special use permit to allow the construction of the proposed facilities within residentially zoned districts where the City property is located; and

WHEREAS, as the owner of the subject property, it is appropriate for the City to consent to the petition for the special use permit to enable the matter to proceed further.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ROLLING MEADOWS, as follows:

SECTION ONE. The City, as the owner of property at 2455 Plum Grove Road, consents to the petition being made by Clear Wireless, LLC in pursuit of a special use permit for wireless broadband antennas and related equipment before the Rolling Meadows Plan Commission and City Council.

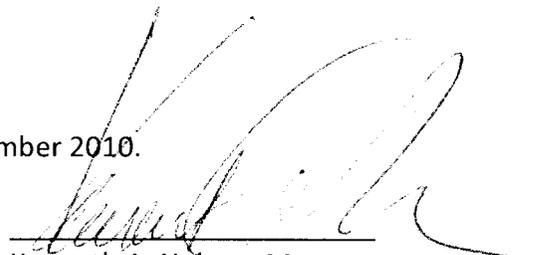

This authorization does not constitute the issuance of a special use permit for any of these projects. Only an ordinance adopted by the Rolling Meadows City Council would serve to grant the necessary special use permit.
