

**A RESOLUTION APPROVING AN
AGREEMENT WITH ID NETWORKS, INC.**

Whereas, the City has received a proposal from ID Networks, Inc. to provide an upgrade to a field reporting and 10 point live scan fingerprint system for use by the City in conjunction with the City's participation in Northwest Central Dispatch; and

Whereas, the City believes it would be in the best interest of the City to enter into the agreement with ID Networks, Inc..

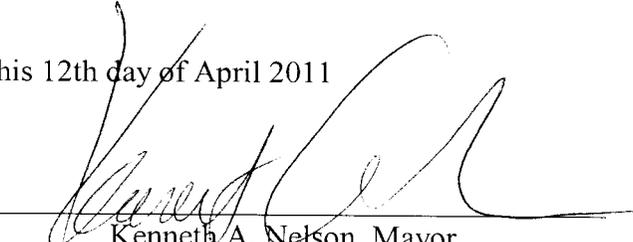

Now Therefore, Be It Resolved, by the City Council of the City of Rolling Meadows that the Mayor and City Clerk are hereby authorized and directed to enter into the Agreement with ID Networks, Inc., a copy of which is attached hereto upon such terms as are acceptable to the City Manager.

PROJECT ASSUMPTIONS – Customer supplied items, unless otherwise noted	
Hardware	It is the responsibility of the agency to provide server hardware that is sufficient to operate the software proposed by ID Networks. Hardware includes servers, Laptops, Networks, database software and operating system software.
Operating Software	ID Networks supports Microsoft Windows 2003 Server software and Windows 2000 or XP-Pro desktop/laptop software. Vista is not currently supported.
Database Software	ID Networks supports Microsoft Sequel Server (SQL) 2005 database software.
Network	ID Networks supports TCP/IP Microsoft Networks.
Windows Vista	ID Networks does not currently support the Microsoft Vista operating system.
Wiring	All premise wiring for electrical and computer network connections are the responsibility of the customer prior to the installation of the system.
Additional IT Services	All additional IT services shall be the responsibility of the customer and shall be performed by qualified IT professional, either an employee or outside contractor.
Production Backups	All Backups are the responsibility of the customer.

Terms & Conditions of Sale

Warranty – Field Based Reporting	90 day standard warranty is provided. Service contract will begin after 90 days of installation and use. Implementation is expected to be in 4-8 weeks. Therefore, the service contract would activate about 4-8 weeks after the initial purchase order.
Warranty – Livescan System	One warranty and maintenance is included in pricing.
Payment Terms & Maintenance	Terms of Sale – As agreed upon in contract. ID Networks cannot be responsible for the delays of the customer or third parties and likewise, payments by the customer to ID Networks shall not be held up due to non-ID Networks delays. <ul style="list-style-type: none">• 50% down payment• Balance due as line items are delivered.• Conversions to be billed separately for each line item.
Delivery & Installation	Delivery will be scheduled after the receipt of your written purchase order and appropriate down payment. Facility preparation for electrical service, furniture, equipment mounting, networking, etc. is the responsibility of the customer and shall be completed prior to scheduling our deliveries. Our installation is subject to the customer facility preparation being completed.
Remote Access & Support	We expect the customer to install an internet connection, with PC Anywhere or other ID Networks requirements prior to delivery for remote support capability. We request 24/7 access in order to service the system. Access is controlled with passwords and service activities are logged for customer review.
Central File Server	Agency to provide Central File Server that meets ID Networks specifications.
Wiring	All premise wiring for electrical and computer connections is the responsibility of the customer prior to delivery / training date.
Onsite Training	Standard onsite training is sufficient in order to place the unit in operation with key staff members has been included. Training personnel and schedules will be agreed upon in advance of the delivery. Additional training or technical support services from ID Networks are available at a daily rate of \$1,000, plus travel expenses.
Special Items & Software Interfaces	Special items or software interfaces which may need IDN development, or the development or cooperation of a third party, will require separate planning with the customer and any third parties.
Price Guarantees	All pricing contained herein is subject to change within 60 days, unless letter of intent is on file or otherwise approved in writing by ID Networks.
