

A RESOLUTION TO APPROVE A "PRELIMINARY ENGINEERING SERVICES AGREEMENT" FOR FEDERAL PARTICIPATION – PROPOSED SALT CREEK BIKEPATH PROJECT (KIRCHOFF TO LIBRARY)

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Rolling Meadows, Illinois that the Mayor and City Clerk are hereby directed, and authorized to execute the preliminary Engineering Services Agreement between Illinois Department of Transportation and City of Rolling Meadows for the proposed Salt Creek Bikepath (Kirchoff Road to Library) design engineering services.

The cost of the design engineering services is to be \$29,953, per proposal of Christopher B. Burke Engineering, Ltd., with 71% of these professional services costs to be eligible for reimbursement by the Illinois Transportation Enhancement Program grant. Funding is to be provided by FY2014 Budget.
