

**A RESOLUTION TO AUTHORIZE A CONTRACT FOR THE
CLEANING AND THE TELEVISIONING OF SANITARY SEWER PIPES
ALONG SALT CREEK (NORTH OF HARTUNG ROAD)**

WHEREAS, the City of Rolling Meadows is a home-rule community, and the City Council may waive formal bidding procedures if it determines that such action is in the best interest of its residents; and

WHEREAS, the Public Works Director has recommended that the City's past practice of utilizing National Power Rodding Corporation for cleaning and televising of large sanitary sewer pipes be continued because of the ability and equipment they offer, and other benefits associated with their use for logistical needs.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and the City Council of the City of Rolling Meadows, Illinois as follows:

SECTION ONE: The Rolling Meadows City Council finds the public's interest would be served by waiving a formal bidding requirement for the contracting of sanitary sewer pipe cleaning and televising, due to the fact that the equipment is specialized, and can access locations that City equipment cannot.

SECTION TWO: National Power Rodding Corporation, located at 2500 West Arthington Street, Chicago, IL 60612-4108 for sanitary sewer main cleaning and televising (8", 12" and 24" diameter pipe sizes) of 3,600 feet of pipe, at a cost estimate of \$6,000 per day for up to five (5) full days of work – maximum cost \$30,000.

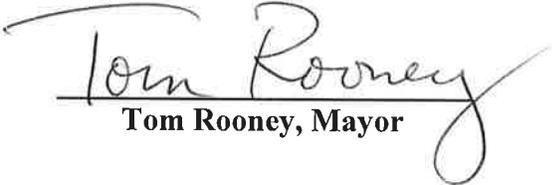

SECTION THREE: Funding is to be provided by Sewer Fund account #20.07.5000.60020.
