

A RESOLUTION TO AWARD A CONTRACT FOR SANITARY SEWER AND STORM SEWER MANHOLE LINING/REHABILITATION

WHEREAS, the City of Rolling Meadows is a home-rule community, and the City Council may waive formal bidding procedures if it determines that such action is in the best interest of its residents; and

WHEREAS, the Public Works Director has recommended that the City's past practice of utilizing National Power Rodding Corporation for internal manhole grouting and lining at twenty-nine (29) sanitary sewer and fifteen (15) storm sewer manholes be continued because of the ability and equipment they offer, and other benefits associated with their retaining 2016 pricing schedule for this proposed work.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and the City Council of the City of Rolling Meadows, Illinois as follows:

SECTION ONE: The Rolling Meadows City Council finds the public's interest would be served by waiving a formal bidding requirement for the contracting of sanitary sewer and storm sewer manhole grouting and lining, due to the fact that the equipment is specialized, and proposed pricing is favorable to the City.

SECTION TWO: National Power Rodding Corporation, located at 2500 West Arthington Street, Chicago, IL 60612-4108 is hereby awarded a contract for said 29 sanitary sewer manholes, 15 storm sewer manholes, and 10 storm sewer manhole bench repairs, at cost of \$53,064.83 total.

SECTION THREE: Funding is to be provided by Sewer Fund account #20.70.5035.60020 (\$35,719.12) and Stormwater Management account #20.70.5040.60020 (\$17,345.71).
