PROPOSAL
Submitted to:

The City of Rolling Meadows
3600 Kirchoff Road
Rolling Meadows, IL 60008
Ph: 847-609-9878 Email: seveska@cityrm.org

ATTENTION:

Dan Seveska

SUBJECT:

MANHOLE LINING/COATING WITH CEMTEC SILATEC MSM

We propose to furnish the necessary labor, supervision and equipment to perform manhole lining/coating as outlined in the Scope of Work below.

SCOPE OF WORK

Clean, prepare surface and apply 1" of CemTec Silatec MSM to manholes located in the City of Rolling Meadows.

PURCHASER WILL FURNISH

Water for our high velocity jetting equipment; any special permits or fees, access to all manholes and sewer lines; and a dump site (if required) for disposal of debris removed from the sewers and/or manholes during cleaning; additional traffic control should it be necessary to provide more than standard traffic cones and truck-mounted arrow boards, at no additional charge to us.

PRICE

Charges for the above services will be computed at the rate of \$132.41/VFT, minimum work order of 50 VFT.

Terms: Subject to terms and conditions in reverse side.

If you find the above proposal satisfactory, please provide a purchase order number and return a signed copy to us. To schedule the above services, please contact our office as soon as possible.

Respectfully submitted,

GENERAL TERMS AND CONDITIONS

General Conditions: These general conditions are incorporated by reference into the proposal and are part of the Agreement under which services are to be performed by the Contractor for the Customer. Contractor will follow Customer's instructions both verbal and written at all times.

Customer Provided Labor: Where the Customer provides labor for the Contractor, the Customer will indemnify the Contractor for liability, loss or expense for work related injuries to those laborers not provided by the Contractor. The Customer agrees to waive all rights of subrogation against the Contractor arising out of the work in this Agreement. The Customer agrees to comply with all local, state and federal regulations, including regulations governing issues pertaining to the environment, employee safety and health, public safety, and vehicular safety, such as those regulations enforced by the United States Occupational Safety and Health Administration, Environmental Protection Agency, Mine Safety and Health Administration and Department of Transportation. This includes all training of customer's employees and provision of suitable and safe equipment, as required by the applicable governmental regulations.

Customers Responsibilities: Customer will provide mechanical services. Operation and control of Customer's equipment is the Customer's responsibility. If Contractor cannot continue its work due to circumstance caused or allowed by Customer and of which Contractor was not apprised prior to starting the work, an hourly fee will be charged.

Damage Limitations: Under no circumstances will the Contractor be responsible for indirect, incidental or consequential damages. The Contractor also is not responsible for the rendering of or failure to render architectural, engineering or surveying professional services.

Pre-existing Conditions: The Contractor will not be responsible for liability, loss or expense (including damage caused by the backup of basement sewers) where the primary cause of the claim or damage is pre-existing conditions including faulty, inadequate or defective design, construction, maintenance or repair of property or contamination of the subsurface where the condition existed prior to the start of the Contractor's work. Customer is responsible for loss of service equipment caused by the pre-existing conditions at the job site.

Environmental Conditions: The debris is represented to Contractor to be non-hazardous, requiring no manifesting or special permitting. The Customer will be responsible for any additional costs or claims associated with the treatment, storage, disposal of the removed debris, or breach of the above representation, at any time during or after the completion of this project.

Indemnification: The Customer and the Contractor will each indemnify the other in proportion to relative fault for liability, loss and expense incurred by the other party resulting from a negligent act or omission in performance of work under this Agreement. The Customer also will indemnify Contractor for liability, loss and expense resulting from Contractor's services if the Contractor is acting at the direction or instruction of the Customer, or where the primary cause of any damages is due to information provided by the Customer.

Credit Policy: Regular Terms are Net 30 Days. If any invoice is not paid in accordance with its terms, the customer agrees that there shall be added thereto, and the customer agrees to pay to contractor, a late charge at the rate of 1.5% per month on the unpaid balance, plus all costs, including reasonable attorney fees, incurred by the contractor in collection of any invoice not paid in accordance with its terms.

Entire Agreement: This proposal together with any written documents which may be incorporated by specific reference herein constitutes the entire agreement between the parties and supersedes all previous communications between them, either oral or written. The waiver by Contractor of any term, condition or provision herein stated shall not be construed to be a waiver of any other term, condition or provision hereof.
