CHAMBER WELCOME

Rolling Meadows is a community of businesses and people who interconnect. At the hub of this network is the Rolling Meadows Chamber of Commerce. Our goal is to bring people together to share knowledge, ideas and resources. Our Mission is to promote economic growth to all who work, live and visit in Rolling Meadows. As members enrich each other, we all grow.

Most industries are represented in our membership – from education and health care to retail and manufacturing. Our Chamber serves these members through assistance and involvement with economic development and legislative issues that affect business. We also provide resources, sponsorships and networking opportunities. Some of our signature events include the Annual Taking Care of Business Luncheon with the Mayor's state of economic development address, Circle of Success Recognition Dinner and Annual Golf Outing.

Most importantly, we keep our valuable members connected with each other and the community. We maintain meaningful partnerships with the City of Rolling Meadows and the Chamber Biz Alliance, a collaboration of 10 area Chambers. Through the Chamber Biz Alliance, we expand our reach, giving our members access to a broad spectrum of multi-chamber programs, events and venues.

Moving forward, the Rolling Meadows Chamber of Commerce will continue to seek more ways to serve our members and this vital community. We appreciate your support and involvement, and welcome your participation with our dynamic organization.

For more information, visit us at www.rmchamber.org or call (847) 398-3730.

MAYOR'S WELCOME

Let me be the first to welcome you to Rolling Meadows and this valuable publication.

Rolling Meadows now is over 60 years old. We are a city with great history and great pride. We are a city of over 24,000 residents and businesses.

We are very fortunate to be located in a valuable area at the intersection of I-90 and Route 53. This is very important and convenient for our residents, employees and businesses. As a result of being centrally located, it has guaranteed our ability to thrive now and in the future.

Due to our close proximity to O'Hare International Airport and access to downtown Chicago, our business community has the best resources available for transportation and diversity.

Rolling Meadows businesses are well known both locally and globally. This wonderful mix makes us very strong and helps us keep current with the world around us.

The Rolling Meadows partnership of government and business has proven to work very well together over the years to achieve our positive results. This is our cornerstone of success, too.

I encourage all readers of this Business Resource Guide to learn more about us and join us as we look towards the future growth and prosperity of their business and the City of Rolling Meadows.

*Sincerely,
Tim Veenbaas
Rolling Meadows Mayor*

HOUSING

Rolling Meadows continues to encourage the development of new and improved residences. Reduced building permit fees to inspire such projects are even being considered, according to Valerie Dehner, director of community development.

Infill projects in which older homes on large

lots are torn down to allow the construction of several homes in the same space are becoming increasingly popular. Twelve such projects are currently in the pipeline. Dehner also expects to see more additions to the original Kimball Hill ranch homes as the larger lots can nicely accommodate such expansions.

What do we love the most about this community? The people we'll share it with! That's why we're so excited to move into the area. We want to support the families, the local businesses and organizations, too. We want to do everything we can

to help the people who have worked to make this area so great. Why? Because Rolling Meadows is home to all of us. And, as a true community bank, we know that when we all do our part, we can make this community better for everyone.

LIBRARY

The Rolling Meadows Library, 3110 Martin Ln., is big enough to have what you need, but small enough to give personal service to each of its patrons. The library collection consists of over 200,000 items and includes thousands of e-book and e-audio titles.

This year, the library will undertake its first building expansion since 1986. The 1,625 square feet of added space will contain two small-group meeting rooms and a large, flexible-use lounge. Each small-group meeting room will seat five, include a large wall-mounted flat-screen for presentations from laptops, and writable white-board walls to allow maximum creativity for meeting participants. The lounge will include comfortable seating, recharging stations for mobile devices, a vending area and a fireplace. A clerestory above will bring in natural light. This space will also be available as a showcase for special events.

Continuing education at the library includes classes on Power Point, Excel, Word and other computer programs. Cultural programs are many and include concerts, historical re-enactments, cooking demonstrations, travel programs and movie showings.

The library offers many program choices for children, including a Dr. Seuss Day consisting of activities based on the author's stories and even a collective reading in both English and Spanish by local dignitaries. Other programs throughout the year allow children to participate in science experiments in the library and cultural investigations of other countries through their unique music, snacks, books and other materials.

For more information about the Rolling Meadows Library, call (847) 259-6050 or visit www.rmlib.org.

HEALTH CARE

Northwest Community Hospital

Rolling Meadows has always provided its residents and people in surrounding communities with excellent health care, while staying on top of the latest treatments. In 1995, the Rolling Meadows Chamber of Commerce and Northwest Community Hospital, took the initiative to form the partnership “Rolling Meadows Tomorrow.”

The program involved community residents, businesses and organizations who worked together to improve health and wellness care. Projects included children’s tobacco awareness and prevention planning, senior housing solutions, volunteer recognition, a family festival, and community housing needs. Many of these initiatives are still in place today.

Northwest Community Hospital in nearby Arlington Heights, provides a Day Surgery Center, a Continuing Care Center, 24-hour treatment centers in surrounding communities, home health care services, several physicians’ office buildings, and a nationally recognized award-winning fitness center.

ECONOMIC DEVELOPMENT

Rolling Meadows enjoyed unprecedented growth in its corporate and commercial areas in 2015 and 2016, according to Valerie Dehner, the city's community development director.

"Our location between Schaumburg and Arlington Heights is very desirable with wonderful visibility from and access to both I-290 and Route 53 and our costs here tend to be lower than in some of our neighboring communities, so companies like to locate here," she said.

During 2015 Rolling Meadows saw private firms invest in construction and building upgrades that amounted to more than triple the investments seen in each of the preceding four years. In addition, during 2016 they saw more than double the construction investments that they had seen during 2011, 2012, 2013

and 2014, Dehner noted. "All of that added value primarily occurred along the Golf Road corridor."

"Since 2012, we have seen 1.4 million square feet of office space in that corridor re-occupied because it was pretty well decimated during the recession," she said. "For instance, we saw Continental Towers purchased, renovated and well marketed so that now Verizon, Komatsu and others have moved there. We also saw great changes at the Atrium which is located at 3800 Golf Rd. Capital One took 345,000 square feet in there."

In addition, Weichai has occupied 170,000 square feet along that stretch of the city and Arthur J. Gallagher & Co. is taking 365,000 square feet for its new headquarters.

employers are located along the Golf Road corridor and thanks to all of this movement, Rolling Meadows has gained over 6,000 new jobs within the past three years,” Dehner said. “We are thrilled with the way things have been going. There has been a lot of synergy in our office sector.”

The thousands of new office employees populating Golf Road have also encouraged the community’s restaurateurs since there are more people needing to enjoy lunch and dinner. Bulldog Ale House opened up in the long-vacant Chili’s space and two other restaurants – Gabutto Burger (burgers with a Japanese twist) and MingHin (Asian buffet) have also opened nearby to serve the burgeoning community of workers.

Elsewhere in the city, elected officials and staff alike are concentrating on redevelopment in the downtown area, specifically on the former Dominick’s site. There is a new ice cream/coffee shop; an Anytime Fitness has been proposed; and a few other small retailers

have expressed interest in the downtown area.

Numerous businesses have also opened in smaller spaces around town. Yonan Carpet One opened its third Chicagoland location in Rolling Meadows and Nic’s Organic, the first-ever organic fast food restaurant of its kind, will open soon along Plum Grove Road. ■

MEMBER TESTIMONIALS

ROLLING MEADOWS CHAMBER BUSINESS TESTIMONIALS

"The Rolling Meadows Chamber is a unique business partner interested in creating win-win solutions for all of Rolling Meadows' stakeholders. It gives voice to businesses of all sizes within this community.

Because of its thoughtful economic development role and shared vision for a robust community and prosperous business environment, the Chamber is also well-respected by the City Council. Chamber leadership, actively participated in advising our company, Arthur J. Gallagher & Co., during the business application process with the city.

We are grateful for the collaboration and follow-through that the Chamber consistently demonstrated during our journey to make Rolling Meadows our new home and the site of our global headquarters. They do a great job of understanding, anticipating and supporting the needs of local businesses and balancing those with the community's civic and municipal requirements."

THE ROLLING MEADOWS CHAMBER MEANS BUSINESS

The Rolling Meadows Chamber of Commerce is dedicated to serving businesses through the city by offering comprehensive resources and services to benefit businesses of all scopes and sizes. Businesses have the opportunity to voice concerns regarding current legislative issues, as members of the Rolling Meadows Chamber of Commerce. The Chamber also takes an active role in economic development, community/citywide promotions and educational programs.

BUSINESS PROFILES

Joelle's Hallmark at 3118 Kirchoff Rd. has been a fixture in Rolling Meadows for 22 years – ever since it moved there from Arlington Heights. Tony and Joelle Brescia purchased it a year later from the founders, Anne Caldini and

Millie Trapani.

The Brescias have owned Hallmark stores in the northwest suburbs for many years, starting in Palatine, then adding the store in Rolling Meadows, then closing the Palatine store and relocating to Streamwood, only to close the Streamwood store and concentrate all of their efforts in Rolling Meadows (Joelle's hometown) in 2003.

“We don't just sell cards. We are also the local Rolling Meadows gift store which is close by when people need a gift, but don't want to fight the crowds at the mall,” Tony said. “And even when e-cards were popular, we still had people shopping with us because there are always occasions when and people to whom you don't want to send an e-card like your wife or mother on special days or to say you are sorry that someone's dad died.”

“Our store has a family feel, so we have lots of regular customers who are invested in our lives and we are invested in theirs. The residents of Rolling Meadows have been wonderful to us. This is a very stable, supportive community,” he said.

“And the Rolling Meadows Chamber has connected us to other nearby businesspeople who act as sounding boards when we have an issue, as well as to local nonprofits who appreciate our donations of excess merchandise,” Brescia added.

J.C. Restoration Inc. is a nationally known disaster restoration firm that has been based in Rolling Meadows at 3200 Squibb Ave. since 2009.

“We restore people’s property and literally, their lives, after fires, floods, hurricanes, tornadoes, mold infestations and much more, working exclusively on insurance claims,” said Warner Cruz, owner/president and son of the firm’s founders, Jose and Martha Cruz.

Since its founding in 1982, JC Restoration has grown from operating in a Hanover Park residential garage to occupying a 102,000-square-foot building equipped with an ozone deodorizing chamber, a drying room for document restoration, carpet and large item drying, a state-of-the-art electronics cleaning and corrosion control department, laundry services and more.

They employ 93 people full-time and another

50, part-time, completing 1,600 restoration jobs during 2016.

While most of JC Restoration’s work is done in northeast Illinois, they are willing to send teams anywhere in the country to handle large commercial losses. Recently they traveled to both Florida and South Carolina to help clients recover from Hurricane Matthew.

“We have fully-stocked semis which are staged with enough equipment to get started on any job and they can be on the road to any disaster within 20 minutes of us receiving a call,” Cruz said.

They also have 18 cube trucks that are similarly equipped to respond to local disasters.

“Our emergency service teams are trained to stop the bleeding, so to speak, and work quickly to prevent secondary damage after a disaster,” he said.

Arthur J. Gallagher & Co. has recently moved its global headquarters to the 315,000-square-foot building at 2850 Golf Rd. in Rolling Meadows. Additional employees will be located at 2900 Golf Road, bringing the company's employee count in Rolling Meadows to approximately 2,000.

"Arthur J. Gallagher & Co. and our employees are looking forward to moving to Rolling Meadows, the site of our new global headquarters," said Cara Richardson, vice president, sourcing and services. "We appreciate the efforts of the Rolling Meadows Chamber of Commerce and Rolling Meadows City Council to attract and welcome our company into their vibrant community."

Founded in Chicago in 1927, Gallagher is an international insurance brokerage and risk management firm with 24,000 employees

worldwide, operations in 33 countries and clients in more than 150 countries. For the past 26 years, Gallagher has been based in Itasca.

"It's been an interesting journey for us as we return to Rolling Meadows. In the 1980s, we leased space in 2850 and 2550 Golf Road when we were a significantly smaller company. We outgrew our previous Itasca headquarters space and we're eager to move to an environment with an open floor plan that will encourage greater collaboration and teamwork," Richardson added.

"Some of the other reasons for relocating to Golf Road include having an amenity-filled campus setting, access to O'Hare International Airport and plentiful parking. It has been a gratifying process to rework the space in a building we once called home when we were a much smaller company," she said.
