

# ROLLING MEADOWS POLICE DEPARTMENT

Dedicated to Excellence

**DAVID J. SCANLAN**  
Chief of Police

October 8, 2012

The Rolling Meadows Police Department recently opened two neighborhood offices at and near some of its largest multi-family communities. This is another step in our agency's continuing efforts to make information and assistance more accessible and convenient to residents, business owners, and visitors.

One is located at 2272 Algonquin Parkway, in the management office for East Apartments where an Officer will be available Monday through Friday from 10:00 A.M. until 12:00 noon. This location is adjacent to Evergreen Meadows Apartments, Coachlight Condos and Flores Apartments, and is a short distance from many single-family homes and other complexes. Partnering with our Police Department are Community Consolidated School District 15, which provides an after-school program, and Harper College, which continues to utilize this location as a satellite classroom.

Another neighborhood office is located at the Apartments at Woodfield Crossing, 4700 Arbor Drive, where an Officer will be available Monday through Friday from 1:00 P.M. until 3:00 P.M. This office is a short distance from many single-family homes, businesses, and commercial offices.

Call 847-255-2416 with any questions or concerns of a non-emergency nature. Continue to call 9-1-1 for any emergency or to report criminal or suspicious activity.
