## ATTENTION!!!!

On Tuesday, December 3, 2013, the City of Rolling Meadows City Council enacted Ordinance 13-60 which expanded the Crime Free Multi-Housing Program. In brief, the ordinance now states that the owner or agent of any building or dwelling unit (including a single family residence) which is rented **MUST attend and complete a Crime Free Multi-Housing Program Seminar prior to obtaining or being issued a new City rental residential license.** The Crime Free Housing seminar will be sponsored by the City of Rolling Meadows and available for owners or agents to RSVP and register at the Rolling Meadows Police Crime Free website <http://www.cityrm.org/rmpd/HTML/Crime%20Free%20Multi-Housing.htm>.

New landlords (or agents) have 90 days to successfully complete the Crime Free housing seminar. For those already holding a rental license, completion of the new Crime Free housing seminar must be accomplished within one year from the enactment date of the ordinance (December 3, 2014). Failure to do so will result in fines and possible loss of their license to rent.

This expanded Crime Free Housing Program has been implemented with the goal of reducing criminal activity within the City and improving living conditions for all residents.

For more information regarding this program, or to schedule a seminar, please contact Crime Free Multi-Housing Coordinator Carlos Saez, at 847-870-2449 or email at [saezc@cityrm.org](mailto:saezc@cityrm.org).
