

Attention:

Residents

The Rolling Meadows Police Department Needs your Help!

Bulletin: 2-13
Issued 10/23/13

SAFE ZONE

The City of Rolling Meadows is attempting to create a “Safe Zone” in your area. The purpose of the “Safe Zone” is to reduce the potential for criminal behavior by providing residents with crime prevention tips.

- To prevent car burglaries, please keep all your valuables out of sight, **lock them in the vehicle** or take them into your residence.
- To prevent thefts, please **lock your doors**, secure your valuables inside your home or apartment and make sure your windows and screen doors are secure.
- To prevent other criminal behavior, carry your cell phones and call 911 if you see suspicious activity. For non-emergency police services call (847) 255-2416.

We hope that you will support this program, only by working together can we make the neighborhood safe for you and your families.
