Annual Report

2019

A MESSAGE FROM THE ROLLING MEADOWS POLICE DEPARTMENT

Welcome to the Rolling Meadows Police Department's 2019 Annual Report. The report is a detailed summary of activities, events and items of note that have transpired during the course of the year.

During the last several years, the Department continued to face challenges and changes, and 2019 was no different in that aspect. Overall, 2019 was an exciting and productive year as we continued to focus on building police/citizen engagement and developing partnerships within the Community. Notable events such as National Night Out continues to grow exponentially in both content and more importantly, in resident participation. It has become a true celebration of the partnership the Rolling Meadows Police Department has with the Community it so proudly serves.

In 2019, emphasis has continued to be placed on Officers to be proactive and to utilize community based problem oriented policing strategies as a more efficient and effective way to reduce crime and calls for service. These efforts have proven to be successful as reported crime continued to trend substantially downward for the third year in a row. Once again, making the City of Rolling Meadows "A Great Place to Call Home" and a safe environment to live, work and raise a family. The dedication and commitment of the men and women of the Department is a significant reason for our success. These law enforcement professionals continue to provide outstanding and unmatched police services to the public.

Staffing in 2019 continued to bring with it challenges. During this past year, six (6) new sworn members of the department started their careers with us. These law enforcement professionals were hired after an extensive selection process was conducted by the Rolling Meadows Fire & Police Commission to fill vacancies as a result of retirements and departures. I'm excited for these new law enforcement professionals as they start their careers with the Rolling Meadows Police Department. They surely will have a profound impact in serving this fine Community in the years to come and be a big part of the future of the organization.

In addition, a strong emphasis continued to be placed on increasing the Department's training for all its members. The work expectations of law enforcement is always changing. The Department must keep current and adapt to the needs of the Community and training helps us reach those goals and improve the level of service we provide.

In 2019, the Rolling Meadows Police Department also conducted an extensive review and update to its policies. This was partially done in preparation for State Accreditation. This review and accreditation preparation was a process that occurred over the course of two plus years. I'm proud to report that the police department was successfully awarded accreditation from the Illinois Association of Chiefs of Police. Subsequently, The Rolling Meadows Police Department is now part of a small percent of Illinois agencies receiving accreditation and having best practice policies in place.

In closing, the Department is extremely proud to serve this fine Community and we will continue to strive to be the best in everything we do.

John Nowacki

DEPARTMENT 2019 ACCREDITATION

Accreditation is the ongoing process whereby agencies evaluate policy and procedure against established criteria, and have compliance with those criteria verified by an independent and authoritative body, The Illinois Law Enforcement Accreditation Council. The criteria, or standards, are policy development guidelines that represent a level of quality service delivery. The true indicator of compliance, however, lies with an evaluation by trained, independent professional peers. The establishment of meaningful and professional standards and an evaluation for compliance to those standards are, therefore, the two fundamentals of an accreditation program.

On June 13th and 14th 2019, the Rolling Meadows Police Department assisted by Chief John Nowacki, Deputy Chief William Arneson, Commander Mike Fior, and Sergeant John Manfredi went through a rigorous process to attempt to attain Tier One Accreditation through the Illinois Law Enforcement Accreditation Program (ILEAP). The assessors that were assigned to the Rolling Meadows Police Department examined all aspects of the police department's policies and procedures, management, operations, and support services. The Police Department had to comply with 67 ILEAP standards in order to gain the accredited status. The task of the independent assessment team assigned to the Rolling Meadows Police Department, was to prove that the department meets the ILEAP Tier One standards to gain ILEAP Accreditation. The assessment team is composed of public safety practitioners from agencies in Illinois. The Rolling Meadows Police Department's assessment team consisted of Lieutenant Jeff Hamer of the Macomb Police Department and Deputy Chief Steven Weatherford of the Illinois Commerce Commission Police Department. These independent assessors reviewed written materials, interviewed numerous individuals, and completed a ride along with an officer, to include visiting police department offices and other locations where compliance was witnessed by the assigned team.

Once the ILEAP Assessors completed their review of the agency, they reported back to the ILEAP Committee Chairman who reviewed and distributed the report to the Council for its review and action at the Council's next scheduled meeting.

On July 31st, Chief Nowacki received notification that the department met the standards as provided in Tier One and the Rolling Meadows Police Department will be accredited through ILEAP. The police department was granted the accreditation status, which will be for four years. During the four years, the police department must submit annual reports proving continued compliance with those standards under which it was initially accredited.

On September 10th, Chief Kushner of the Des Plaines Police Department and Vice President of the Illinois Association of Chiefs of Police handed Chief Nowacki the prestigious ILEAP Accreditation award at a Rolling Meadows City Council Meeting. The Rolling Meadows Police Department is now accredited for four years, at which point we will reapply for accreditation.

OPERATIONS

The Operations Division consists of the Patrol Unit which has 30 Patrol Officers and is supervised by 7 Sergeants and managed by 1 Commander. The unit provides 24-hour police service 365 days of the year. The Patrol Officers are assigned to community policing areas, which include residential and business communities, as well as our local schools. The Patrol Unit Officers take on the role of problem-solvers in addition to their traditional law enforcement duties. Every Patrol Officer is assigned an area of responsibility and communicate regularly with community representatives. Officers have received specialized training to assist them in effectively resolving issues together with residents and community leaders. Sergeants supervise and mentor officers during day-to-day deployment, calls for service response and case preparation. Several Officers belong to task force organizations such as NIPAS (Northern Illinois Police Alarm System) serving in the Emergency Services Team (EST) and Mobile Field Force (Civil Disorder) Units. Department members assigned to the Major Case Assistance Team (MCAT) provide investigative, forensic, and fatal accident assistance to all agency members within the multi-jurisdictional organization.

During the last two years, the police department has had a K9 officer included in our Patrol Unit. Our four-legged officer (Scar) is a German Shepherd/Belgian Malinois mix (More information regarding Scar and his handler will be spotlighted later in this report).

OPERATIONS

The Operations Division handled a variety of duties and responsibilities including:

- ◆ Domestic violence, domestic disturbance, and family problems calls
- ◆ Fingerprinting business, residents, and children for identification
- ◆ Home, business, and school security surveys
- ◆ Juvenile problems
- ◆ Lockouts (auto and home)
- ◆ Lost and found (persons and property)
- ◆ Mail deliveries (City)
- ◆ Report safety problems, e.g., malfunctions of street/traffic lights, water main breaks, downed tree branches, and icy streets
- ◆ Traffic activity:
 - ◆ Accident reporting and investigation
 - ◆ Aggressive enforcement of moving violations
 - ◆ “Street of the Week” traffic enforcement program
 - ◆ Analysis of accident data for engineering recommendations
 - ◆ Deter speeding through a Speed Monitoring Trailer
 - ◆ DUI and Zero Tolerance enforcement
 - ◆ Overweight truck enforcement
 - ◆ Parking enforcement (city streets/business contracts)
 - ◆ Preventive/Deterrent Patrol

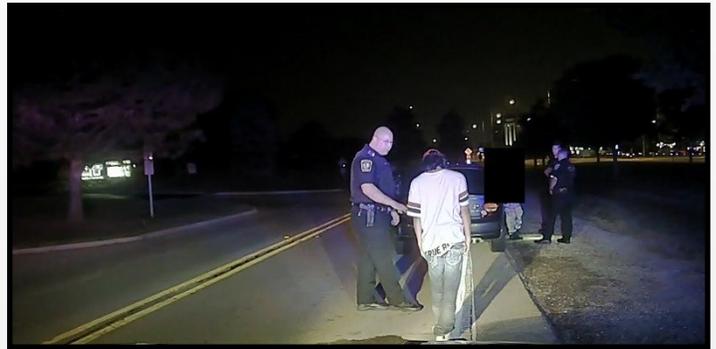

PATROL UNIT

Often referred to as “the backbone of the Department,” the uniformed Patrol Unit provides 24-hour coverage of the City and responded to over 9,279 calls this year. These calls include the above services plus emergency responses to:

- ◇ all traffic crashes with injuries
- ◇ all Fire Department calls
- ◇ all industrial and commercial injury calls
- ◇ all crimes-in-progress calls

The Patrol Unit responds to all emergency related calls, such as traffic crashes, house and car fires, suspicious persons and vehicles, crimes in-progress calls, burglaries, robberies, assaults, industrial accidents, hazardous materials spills, domestic disturbances, business disputes, neighbor disputes, juvenile problems, crimes against property, etc. These officers also collaborate with all the schools within Rolling Meadows to provide emergency responses and practice drills.

Our Patrol Officers pride themselves in knowing the community they serve. They are true problem-solvers, always alert to identify developing issues and then devising appropriate responses to resolve them effectively. These officers work closely with Detectives, School Resource Officers, Community Services Officers (CSOs), other City departments, citizens, business owners, and organizations to find creative and successful solutions to a variety of problems. The Patrol Unit has adapted methods of delivering service based upon the needs of the community.

CIVILIAN CROSSING GUARDS:

The unsung heroes of the Police Department are its crossing guards. These devoted men and women work part-time whenever the schools are open. They ensure that our community’s schoolchildren can cross safely at busy intersections near the schools. They also assist in crossing duties at numerous community events throughout the year.

TRAFFIC

TRAFFIC CONTROL & ENFORCEMENT: The Department facilitates the safe movement of motor vehicles and pedestrians through traffic control and enforcement, as well as education. Traffic enforcement promotes the safety of motorists and pedestrians.

TRAFFIC CRASH & CITATION ACTIVITY: The City's low accident record is attributed to the Department's efforts in promoting traffic safety through traffic law enforcement (which includes the use of technology such as red light cameras) and education. Another valuable result of traffic enforcement is its deterrent effect on criminal activity.

Studies show that the high visibility of the police deters crime; the crime rate in Rolling Meadows is relatively low, which we attribute in part to the Department's high visibility in traffic enforcement. In addition to the self-initiated traffic enforcement conducted by our Patrol Officers, the following traffic citations were issued as a direct result from concerns voiced by our residents.

TRAFFIC CRASHES

<u>Total number of crashes</u>	771
Property damage crashes	326
Personal injury crashes	167
Private property crashes	244
DUI related	34

CITATION ACTIVITY

<u>Total number of tickets:</u>	2,673
Parking Citations	1,216
Circuit Court Citations	1,457

ENFORCEMENT OF DRIVING UNDER THE INFLUENCE: The combination of alcohol/drugs and vehicle usage is extremely dangerous, which has created a public outcry for aggressive enforcement of alcohol related driving laws. This outcry is the result of the public's refusal to tolerate the senseless deaths caused by drunk drivers. In response to this mandate from the public, the Rolling Meadows Police Department has an aggressive approach to enforce impaired driving laws, including an educational program to prevent drunk driving. DUI enforcement is a challenging aspect of law enforcement. The legal aspects are complex and the arrests themselves frequently place officers in harm's way.

OVERWEIGHT TRUCK ENFORCEMENT: One overweight truck represents the damage of 80,000 vehicles to our roadways. In order to control this abuse, the Department instituted an overweight truck enforcement program. Along with the standard police equipment, Truck Enforcement Officers are supplied with portable scales for truck enforcement purposes. In addition, it carries special evidence collecting equipment used in the investigation of serious traffic crashes and major crimes.

SPEED MONITORING: To promote traffic safety, we use RADAR trailers designed to monitor vehicle speeds. The trailers display to motorists their vehicle speed and the posted speed limit, in order to increase driver awareness and reduce vehicle speeds. These trailers are set up in areas where Officers and residents have identified speed related problems. Each speed trailer is equipped with a computerized monitoring and recording system, so the Police Department often uses them to conduct traffic surveys to aid in determining a need for traffic control modifications.

K9 UNIT

2019 was the second full year of service for our K-9 Scar. Both he and his handler Officer Don had a very busy year. They engaged in numerous K-9 related incidents/reports. Locally, there were 10 citations issued including multiple local arrests. The unit had seizures of methamphetamine, heroin, and marijuana here in Rolling Meadows. Scar and Officer Don also participated in 263 hours of various training. They conducted over a dozen school searches. Additionally, they were called to assist outside police agencies on 25 separate occasions which resulted in totals of 7.7 kilos of cocaine, 1.72 kilos of heroin, 47 grams of heroin, and \$60,000 cash to name just a few. While enforcement activity is extremely important for the quality of life of our residents, much of what Scar and Officer Don do is directly related to community outreach. The City of Rolling Meadows keeps a busy community oriented schedule throughout the year. For those who attend, they are very likely to encounter Scar and Officer Don. The following is a list of some of the events Officer Don and Scar attended.

January 15th, City Council Presentation

- March 15th, Animal Feeds and Needs Presentation
- April 25th, K-9 Demonstration at Business Expo
- April 27th, K-9 Demonstration at Harper College Expo
- May 11th, K-9 Demonstration at Family Services BBQ
- May 16th, Bolingbrook K-9 Retirement Ceremony
- May 22nd, K-9 Demonstration for Cub Scout Troop
- May 23rd, Meet and Greet Plum Grove Junior High
- June 2nd, Illinois Torch Run (Special Olympics fundraiser)
- June 7th, K-9 Demonstration for RM Block Party
- June 10th, RM Park District Summer Camp K-9 Demo
- July 11th, RM Park District Summer Camp K-9 Demo
- July 25th, RM Park District Summer Camp K-9 Demo
- August 3rd, Corn Fest K-9 Meet and Greet
- August 6th, National Night Out K-9 Demonstration
- August 16th, Arthur Gallagher BBQ K-9 Demonstration
- September 28th, Farmer's Market K-9 Meet and Greet
- October 5th, Hometown Hoedown K-9 Meet and Greet
- October 9th, Crime Free Multi-Housing Informational K-9 Meet and Greet at the Senior Center
- December 3rd, Youth Police Academy K-9 Demonstration

These are just some of the events in which our K-9 unit participated in. You will likely experience or witness continual community outreach by Scar, Officer Don, and the entire police department. In 2019, Officer Don and his partner Scar participated in the prestigious Von Liche Kennels Competition. Out of approximately 140 Police K-9s, Ofc. Don and Scar took 2nd Place in the Narcotic Road Clear Competition and 2nd Place in the Narcotic Open Area Competition. These were amazing results for Ofc. Don and Scar. We are all very proud of and thankful that we have a Police K-9 Officer and K-9 of this magnitude protecting our city. What we have seen and accomplished this past year with Officer Don and Scar has again far exceeded expectations.

SPECIAL OLYMPICS

In 2019, members of the Rolling Meadows Police Department once again participated in the annual Special Olympics Torch Run and Cop On a Rooftop to help raise funds and to build awareness. 2019 Polar Plunge was cancelled due to bad weather conditions.

EQUIPMENT AND FLEET

A Police Package vehicle is specifically designed and built to be used by law enforcement officers and it includes special components for the engine, transmission, wheels, brakes, tires, cooling system, electrical system, suspension, seating, interior controls, and many other parts of the car. These modifications improve safety, durability, and performance.

The current design of our marked squad vehicles showcases a high visibility black and white primary design with red, black, and white reflective lettering. In addition to our highly visible squads, we also have several unmarked patrol vehicles as well.

They are unmarked in that they are of solid color but they do sport reflective decals. These squads serve multi-purpose needs that are not directly related to high visibility. The more fuel efficient SUVs come standard with a capable V6 engine and all-wheel-drive, which improves handling, traction, and control in all weather conditions as well as in emergency driving situations.

Officers assigned to the uniformed Patrol Unit perform numerous duties and functions, and the patrol car has become their “office on wheels.” We outfit these vehicles with the latest technology and highest quality equipment available to law enforcement to support the Officers in their mission. This includes laptop computers on which officers can communicate and receive calls for service from our Emergency Dispatch Center, make various inquiries, write reports, and complete citations. All patrol vehicles are equipped with speed radar units, lethal- and less-than-lethal support tools, crash investigation equipment, first-aid kits, fire extinguishers, high-visibility traffic vests, and traffic flares. Each patrol vehicle is equipped with an in-car video/audio recording system, personnel protective equipment, and prisoner safety barriers.

EQUIPMENT AND FLEET

Beyond the standard police automobile, our agency employs special vehicles for particular duties. Our Mobile Command Unit is used as command post at all major events, police actions, and crime scenes. Our military-spec Humvee was acquired to be employed during major snowfalls, floods, and other natural or manmade disasters. Also, the Humvee is used at many of our community events to promote positive interactions with our residents. Our specifically-outfitted K9 vehicle, which is in its second year of use and solely designed for everyday K9 activity, is operated exclusively by Officer Don (certified K9 officer) and his partner Scar. The newest addition to the fleet is our “Special Purpose Vehicle” or what we commonly refer to it as our four wheel all-terrain vehicle/ ATV which supplements the police department in accomplishing its objectives. We use this specialized vehicle for patrolling remote areas, bike trail systems, and the City parks. This vehicle can search large expanses of land quickly, it provides better mobility during special events such as parades and festivals, and it greatly enhances our Police safety mission.

INVESTIGATIONS UNIT MAJOR CASE ACTIVITY

- ◆ Death Investigations – 9 death investigations were conducted by detectives, one being a suicide and one being a fatal accident.
- ◆ Attempted murder – A shooting took place at the Walmart in June of 2019. Several subjects from Chicago and the northwest suburbs agreed to meet at the Walmart to complete a custody exchange of a child. A physical altercation ensued in the parking lot which led to a shooting between two subjects, one being struck in the abdomen. The injured victim was taken to a nearby hospital and recovered. The investigation identified a twenty-eight year old male from Indianapolis, Indiana as the shooter. A warrant was obtained and the subject was taken into custody and is awaiting trial.
- ◆ Fatal accident – A fatal accident occurred on Algonquin Road at Kimball Hill Drive in September of 2019. A nineteen year old male subject was struck by a vehicle. Directly prior to the accident, the victim was involved in physical altercation which was determined to be a contributing factor in the victim being struck by a motor vehicle. A juvenile subject was charged for his involvement in the incident.
- ◆ Structure Fire – The Egglectic Café caught on fire in April causing approximately one-hundred thousand dollars in damage. There were no injuries caused by the fire.
- ◆ Bank Robbery – A bank robbery occurred in February in the 3200 block of Kirchoff Road. The subject entered the bank wearing a scarf and hat and handed the teller a note implying he had accomplices with weapons nearby. The subject received currency and left the bank. The bank employees were able to identify the subject's vehicle and advised he may be a customer. The investigation revealed the vehicle was owned by a professional driver. The driver was located and he advised the subject was taken to O'Hare Airport. The Chicago Police Department was notified and provided with the subject's personal information. A short time later, the subject was located and arrested while waiting for a flight.
- ◆ Bank Robbery – A bank robbery occurred in November in the 1800 block of Algonquin Road. The subject entered the bank wearing a hoodie tied tight around his face and a camouflage jacket. The subject handed the teller a note demanding money and received currency. The subject then left the area at a high rate of speed. Information regarding the robbery was disseminated to local law enforcement agencies and a Schaumburg police officer observed the vehicle. The subject refused to stop for the Schaumburg officer and continued driving at a high rate of speed. The subject drove to O'Hare Airport where he was observed by members of the Chicago Police Department. The subject was taken into custody without incident.
- ◆ Robbery - A robbery occurred in April in the 1200 block of Golf Road. A subject went into the retail establishment and was shown two cell phones. After talking for approximately five minutes, the subject pushed the salesperson down, grabbing the phones out of his hands, causing injuries. This subject had been stealing phones from multiple stores in the area and several agencies were attempting to identify him. A flyer was disseminated and the subject was identified. Several days later, the subject was arrested by the Morton Grove Police Department for a similar crime. The subject was spoken to and admitted to stealing the phones.

MCAT 2019 ACTIVATION SUMMARIES

19-01-0114: On 01/14/19, the Rosemont Police Department was dispatched to a local hotel after a maid found the victim deceased on the bed. The victim had no signs of trauma, but there appeared to have been a second person in the room raising suspicion as to the cause of death. Narcotics and drug paraphernalia were found in the room, and the Cook County Medical Examiner's Office eventually determined the death as an accidental overdose. Two MCAT members were on scene and acted in an advisory capacity by providing 10 hours of manpower support.

19-02-0115: On 01/16/19, the MCAT Surveillance Team was activated to assist numerous departments by conducting surveillance on a serial burglary suspect. On 01/17/19, Mt. Prospect Police Department and Des Plaines Police Department Detectives observed the offender burglarize some storage units in Lombard. Later that morning, the offender was arrested by MCAT Surveillance members and transported to the DuPage County Sheriff's Police Department. The offender was charged with three counts of Burglary by the DuPage County State's Attorney's Office. The MCAT Surveillance Team provided 81.5 hours of manpower support.

19-03-0123: On 01/23/19, Prospect Heights Police Department responded to a 911 call at a local apartment. Upon arrival, responding officers discovered the victim deceased on the floor with a single stab wound to the chest. Witnesses on scene stated the offender stabbed the victim. MUTUAL AID

ILEAS/NIPAS: The Police Department participates in a number of mutual aid programs in order to provide and receive a cooperative, effective response to any type of incident. As a member of the Northern Illinois Police Alarm System (NIPAS), the Department is eligible for assistance for general work force requests, hostage and barricaded subject incidents, as well as civil disorder. NIPAS provides the following three types of mutual aid responses:

General Mutual Aid Response: NIPAS provides a systematic method of receiving assistance in the face of an emergency. The plan requires predetermined staging areas for responding Officers. An option of ten different levels provides a response of five to fifty uniformed Officers in marked squad cars. The plan is further designed to allow the response of Officers without depleting the staffing levels of responding agencies.

Emergency Services Team: Formed in 1987, the Emergency Services Team (EST) is designed to provide a professional, trained response to a variety of high-risk incidents, including hostage or barricaded subject situations, terrorist incidents, disaster situations, high-risk warrant service, and other assignments. While often referred to as a "SWAT team," it is available for a wider variety of assignments than a conventional one. The availability of EST services to a NIPAS community requires the assignment of an Officer to the team with 24-hour availability. The team trains on a monthly basis, which involves practical exercises conducted by professionals in this area of expertise.

Mobile Field Force: The Mobile Field Force provides a rapid, organized, and disciplined response to civil disorder, crowd control and other tactical situations. It consists of a platoon of uniformed police Officers led by a Field Force leader.

Generally, it consists of four to eight squads of Officers and may be supplemented by specialized Units, such as EST, K-9, and Aviation. The Mobile Field Force team is available to participating members. Participation requires the assignment of an Officer to the team with 24-hour availability.

ADMINISTRATIVE DIVISION

The Administrative Division's mission is to provide technical support and resources to the Operations Division through a variety of means. The members of this Division are responsible for numerous tasks, which includes:

- ◇ Preparing and monitoring the Department budget
- ◇ Training all sworn and civilian police employees
- ◇ Working with the Board of Fire and Police Commission regarding police personnel issues (hiring, promoting, etc.)
- ◇ Coordinating of mutual aid agreements with other agencies
- ◇ Preparing and maintaining policies and procedures
- ◇ Managing and maintaining police records
- ◇ All community programs (safety, education, prevention)
- ◇ Desk operations
- ◇ Scheduling, organizing and coordinating all police related community events

Homeland Security

Some communities and law enforcement agencies face a significantly greater terrorist threat than others do. Moreover, while most communities may not have previous involvement in a terrorist act, the potential is always there. It is incumbent that law enforcement agencies establish a level of planning and actions that address a proactive response to terrorism. A comprehensive approach to incident management, applicable at all jurisdictional levels and across functional disciplines has been created through the City of Rolling Meadows Emergency Operations Plan (EOP). The Police Department is responsible for reviewing applicable portions of the EOP that deal with Police operations and terrorism. The Department of Homeland Security has also participated in our NNO event and has supplied our department with temporary equipment needs as requested.

DESK OPERATIONS

The Rolling Meadows Police Department Desk Operations continued to maintain 24-hour coverage with the combination of CSO's, Police Assistants, and Patrol Officers. Desk Officers handle incoming non-emergency calls, walk-in citizen reports, tow releases, records duties, and a variety of other support functions. Those who work the desk often have the responsibility of providing assistance to residents and non-residents who seek immediate police assistance for countless issues. Our desk personnel's ability to calmly and successfully resolve these issues, or provide those in need with the appropriate contact or resource for resolution is vital to our mission of providing the highest standard of police service to the Rolling Meadows community.

ROLLING MEADOWS CRIME STOPPERS PROGRAM

The demands on local law enforcement have increased dramatically over the past several years. Consequently, the already limited resources of our agency are being stretched further than ever.

The Rolling Meadows Crime Stoppers program was started by concerned citizens who wanted to help their community fight the war on crime. Each local Crime Stoppers program is independent and operates under its own bylaws and Board of Directors. Board members come from all segments of the community and donate their own time and talents for one common goal – to make the program a success by assisting law enforcement in reducing crime.

COMMUNITY INVOLVEMENT

Over the decades, the Rolling Meadows Police Department has reached out to the residents and merchants through our Community Involvement Programs that include Crime Prevention, Public Relations, and Crime Free Multi-Housing. As contributors to these programs, the Patrol Division Officers embrace the role of problem-solvers and community outreach professionals, in addition to their traditional law enforcement duties. They help maintain the Department's strong relationships and open communications with residents, businesses, residential and multi-unit community stakeholders, city and park district personnel, as well as local school representatives and surrounding police agencies.

The collaboration by all members of the Rolling Meadows Police Department with rental property owners and managers, as well as other community leaders and stakeholders has improved communication and created a positive relationship in resolving criminal and nuisance activities. This collaboration has also worked to educate community members and community leaders in recognition of crime and tactics in prevention and has created positive alliance in working together to solve criminal and nuisance issues. In addition to the cooperative effort shared by the Patrol Division, the Rolling Meadows Police Department has Officer Carlos Saez, who is dedicated full time in coordinating our Community Involvement Programs.

Crime Free Multi Housing: The purpose of this program is to keep criminal and other nuisance activity out of rental properties, by working with community leaders and stakeholders (i.e. property managers and owners).

An important tool used in this program is a crime prevention strategy called **Crime Prevention Through Environmental Design** (CPTED). CPTED is a set of design principles used to discourage crime and promote proper security. The concept is simple: Buildings and properties can be designed to prevent crime. CPTED principles are based on anticipating the thought processes of a potential offender and creating an environment that discourages follow-through. CPTED has the added advantage of creating a sense of security and well-being among employees and tenants. When CPTED is put into practice, the resulting environment, including the building and its surroundings, will discourage or impede criminal behavior, and at the same time, encourage honest citizens to keep a watchful eye.

Crime Prevention: Crime Prevention is the anticipation, recognition, and appraisal of a crime risk, and the initiation of action to remove or reduce it. Crime Prevention is an active approach utilizing public awareness and preventive measures to reduce crime. Effective, responsible crime prevention enhances the quality of life of all citizens.

Community Relations: In an effort to further establish and maintain a mutually beneficial relationship with the community, the department attends business speaking engagements, provides safety information to the community, coordinates community events, and arranges neighborhood meetings in order to alert the community of any criminal trends. This program also coordinates senior crime prevention programs, as well as Citizen and Youth Police Academies. Once more allowing the department to enjoy an open communication and trust with the community, allowing for greater dialogue in addressing community concerns and issues.

COMMUNITY INVOLVEMENT

In order to successfully implement the Community Involvement Programs, Officer Saez is responsible in completing the following tasks:

- ★ Create and update Crime Free seminar presentations and present content within a monthly 4 hour seminar to rental property owners and managers.
- ★ Manage the crime free database, which includes all seminar attendees.
- ★ Manage Trespass Program which includes data entry, enforcement of program procedures and transfer of information into the Crime Free database.
- ★ Monitor both criminal and nuisance activity at rental residential, business and hotel/motel properties.
- ★ Serve notifications to property owners and managers relating to incidents occurring on their properties and making recommendations to alter or eliminate behavior.
- ★ Meet monthly with property owners and managers addressing criminal and nuisance concerns and issues.
- ★ Inspect quality of life issues such as abandoned vehicles, vehicles in disrepair, safety and security concerns on multi-unit and hotel/motel properties.
- ★ Assist Social Services in annual Family Services community event.
- ★ Assist Social Services in annual Summer Camp event designed to educate elementary age youths within the community.
- ★ Assist Social Services with Shop with a Rolling Meadows Cop Christmas event.
- ★ Participate in city and park district wellness fairs.
- ★ Participate in city business expos.
- ★ Coordinate Public Safety Car Show/Block Party community event.
- ★ Coordinate Citizen and Youth Police Academies.
- ★ Assist in coordination of annual Family Night with the Cops community event.
- ★ Assist in coordination of National Night Out community event.

Additionally, Officer Saez was tasked in improving relations with the elderly community, thus creating and coordinating the Senior TRIAD S.A.L.T. (Seniors and Law Enforcement Together) Council. Mission of the council is to better advocate for the senior community relating to their Crime Victimization and Safety. The council also focuses on senior collaboration with local law enforcement, businesses, city departments and officials in planning for the future needs of a rapidly growing and aging population. Council members, consisting mostly of seniors, are tasked in developing programs designed to educate seniors concerning certain facts and myths regarding victimization of the older population. Also, educating law enforcement personnel with the needs of seniors, thereby assisting law enforcement in becoming more effective in their interactions with elderly victims of crime. Finally, assisting in reducing the fear of crime within the targeted senior-population by delivering safety, fraud and quality of life presentations quarterly.

Lastly, among the aforementioned responsibilities, all aspects of the Community Involvement Programs work hand in hand with the Social Outreach Specialist (Social Services) in creating a partnership with the community and supporting Social Services outreach efforts regarding domestic violence, quality of life and other social community issues.

Inevitably, supporting the department mission of "Enhancing the quality of life, maintaining order, protecting life and property and reducing the fear of crime" within the community. We are dedicated to excellence through Integrity, Professionalism, Pride, and Respect.

SOCIAL SERVICES

The Social Services Outreach Program is a professionally staffed section of the Rolling Meadows Police Department. It is our goal to enhance the quality of life through empowerment, coordination of resources, and promotions of education and health among all residents of the City of Rolling Meadows. Our outreach program is coordinated and maintained by our outreach specialist, Dr. Natalia Nieves. Services offered by the Police Social Services Outreach Specialist, Dr. Nieves are as follows:

- **Crisis Intervention:** Emergency emotional support aimed at assisting individuals in a variety of crisis situations that may occur within the City of Rolling Meadows.
- **Court Advocacy:** Dr. Nieves provides assistance to victims of crimes. She is a trained advocate available to provide advocacy and support related to the court system and the prosecution process, and appraising them of their rights. During this past year, Dr. Nieves assisted over 100 families in this capacity.
- **Community Education:** Dr. Nieves offers weekly empowerment and leadership group to resident of the City of Rolling Meadows. These groups are especially important in the Latino community, who have voiced their desire for the improvement of the relationship between police and immigrant residents.
- **Child Abuse and Neglect Prevention:** Dr. Nieves has developed and implemented prevention efforts to reduce child abuse and neglect. Through raising awareness among the community by offering workshops and creating outreach events in partnership with outside agencies who specialize in child abuse and neglect intervention.
- **Crime Prevention for Seniors:** Education-based approach utilizing public awareness to reduce the crime risk within the City of Rolling Meadows. Dr. Nieves is a participant in the Seniors and Law Enforcement Together Council (SALT), a group that organizes educational events for seniors around crime prevention topics.
- **Crime Victim Compensation:** Making sure that eligible crime victims are connected with the compensation that the Illinois Attorney General reserves for victims of crime and their families for expenses accrued as a result of a violent crime.
- **Domestic Violence:** Intervention services including obtaining orders of protection, referral for emergency safe housing, legal advocacy, transportation to court and shelter/safe place when needed. Last year alone Dr. Nieves outreached to over 150 domestic violence victims, assisted with both civil and criminal orders of protection, and has connected them with emergency and transitional housing, as well as other basic needs such as food, medical care, and clothing.
- **Emergency Assistance:** Dr. Nieves is an approved Salvation Army volunteer and can directly apply for emergency financial assistance to families and individuals in need of a one-time help with paying rent or utility bills. This year alone, she prevented homelessness, and electricity shut-offs for over 20 women, children, elderly, and persons struggling with illnesses.
- **Referrals to Supportive Services:** Dr. Nieves provides assistance and referral information to specialized services such as legal representation, counseling and mental health treatment, among others.
- **Senior Citizen Issues:** Dr. Nieves provides referrals to local organizations that specialize in providing assistance to older adults.
- **Short-Term Counseling:** Dr. Nieves offers short-term counseling services to individuals in a crisis situation who do not have access to other counseling services.

SOCIAL SERVICES

In addition to the above mentioned duties and services which help define our Police Social Services Outreach Program, Dr. Nieves has coordinated many important initiatives. Specifically, they are as follows:

- ◆ Dr. Nieves planned and organized our 4th annual Shop-with-a-Rolling Meadows-Cop event. In collaboration with Walmart, over 20 police officers and staff volunteered their time to outreach to over 100 children this past holiday season.

- ◆ Our Police Social Service Outreach Specialist offered over 500 free case management hours via the student internship program that she launched and managed.
- ◆ Dr. Nieves established and met weekly with a group of community members of the East Park and Coach Light community (known as The Woman Leaders of Rolling Meadows) where they discussed issues related to crime prevention in their community. The group has evolved and are now in the process of establishing a Community Block Watch program in their community, with the goal of enhancing police and community relationships via building trust and accountability.
- ◆ Dr. Nieves assisted the detectives' bureau with the criminal investigation of sexual crimes against children. She also provided both legal and court advocacy and support. She has explained the criminal justice system, attended court dates and medical exams, and connected the non-offending parents with necessary counseling and social service resources to facilitate their healing.
- ◆ Dr. Nieves has fostered and maintained communication with the Department of Children and Family Services, as well as Adult Protective Services. In 2019, she made over 20 reports to the child abuse and neglect hotline as well as reported elder abuse to adult protective services.
- ◆ Dr. Nieves has maintained collaborative relationships with the WINGS Shelter/Safe House, and has used their free emergency housing services for over 10 women last year alone.

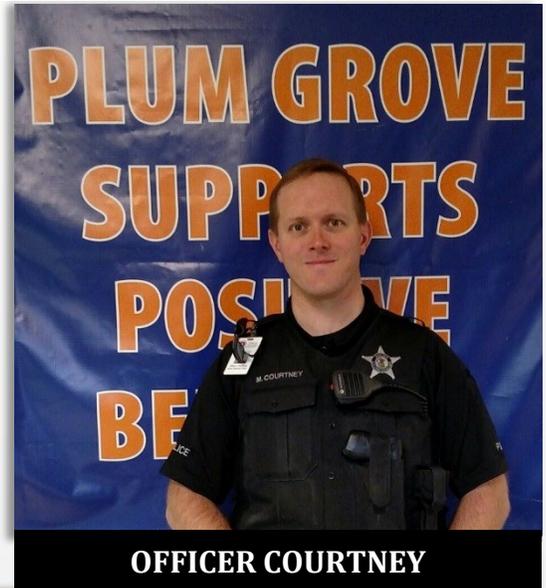

SOCIAL SERVICES

- ◆ Dr. Nieves planned and executed two youth summer camps this past year; East Park and Soccer Camp. She also fundraised for the program and formed partnerships with the community for sponsors. Our summer camps outreached over 100 children in 2019.
- ◆ Dr. Nieves took steps to preserve and strengthen our Police Department's relationships with various church, schools, and agency directors via engaging in meetings with key leaders and establishing her presence in the social service professional arena. She belongs to the Northwest Alliance against Domestic Violence with Representative Michelle Mussman. Additional participants include the Third District Domestic Violence Court Committee which is composed of those judges assigned to the domestic violence court. She attends meetings and events in the professional community on a monthly basis.
- ◆ Dr. Nieves has been responsible for implementing the Drug and Alcohol Outreach Program in collaboration with Nature's Care. She has also been in charge of maintaining records and making connections with the professional community and the public regarding the program. She has been connecting with service providers, meeting with potential program participants, screening them for appropriateness, and making necessary referrals for them to receive treatment.
- ◆ Dr. Nieves planned and executed multiple Health and Wellness Fairs for the community, where the residents of Rolling Meadows have been able to receive free flu shots, as well as information about physical and mental health resources, as well as domestic violence and child sexual abuse information in both English and Spanish.
- ◆ Dr. Nieves organized an outreach event for the Latino community around Mother's Day and also coordinated a holiday party and made it a community resource fair with participants from the various social service, health, education, and legal services offering information and ways to access resources.
- ◆ In response to the needs of the Spanish-speaking residents, Dr. Nieves hosted a series of monthly consultations with an immigration attorney who offered free legal advice to the residents of Rolling Meadows. The same attorney also hosted an immigration workshop regarding immigrant issues as well as pathways to citizenship.

SCHOOL RESOURCE OFFICERS

As part of an agreement with the School Districts, the Department assigns a Patrol Officer to both the grade schools and junior high schools (Officer Mike Courtney), as well as two Detectives to the Rolling Meadows High School (Detective Lisa Lamz, and newly appointed Detective Chris Danner). It is their job to build a strong rapport with the students and to make themselves available each school day to the student body. Both officers and detectives continually work with the principals and staff at the schools to ensure that students and staff alike have a safe and secure learning environment. Part of the School Resource Officers' function is to provide counseling and education services to students; including gang and drug awareness. Additionally, they will take law enforcement actions whenever necessary and appropriate.

POLICE HONOR GUARD

In 2019, our agency's Honor Guard participated in ceremonial duties such as parades, funeral details, and the presentation of our national colors. Presentations this past year included our Memorial Day remembrance as well as veteran dinners. The Police Department and Fire Department Honor Guard Units also collaborated in 2019 at the Memorial Day Parade.

BOARD OF FIRE AND POLICE COMMISSIONERS

The Board of Fire and Police Commissioners (BFPC) of the City of Rolling Meadows, consists of three members. Each member is appointed by the Mayor with the consent of the City Council. The Board derives its authority from the Illinois Municipal Code (Board of Fire and Police Commissioners Act), Illinois Compiled Statutes ((Illinois Compiled Statutes, Ch. 65, Sections 5/10-2.1-5 through 65 ILCS 5/10-2.1-6.3 inclusive), and from City of Rolling Meadows Ordinances.

The responsibilities of the BFPC are as follows:

- To recruit, select and appoint qualified candidates to fill vacancies for original appointment of Police Officer and Firefighter/Paramedic.
- To determine testing and selection processes that allow qualified employees to participate in the promotional process for the position of Sergeant in the Police Department.
- To conduct disciplinary hearings or appeals of disciplinary action in the Fire and Police Department.

The current Commission is comprised of Ted Loesch, Tom Callard and Dave Walter.

TRAINING

Employee training is considered one of the most important responsibilities in a law enforcement agency. Police agencies are held legally accountable for the actions of their personnel and are responsible for providing initial and remedial training.

Police training serves three general purposes:

- ◆ It results in greater effectiveness, preparedness, and productivity
- ◆ It fosters cooperation and unity of purpose
- ◆ It reduces liability exposure to the Officers, the Department, and the City

The training program of the Rolling Meadows Police Department addresses the needs of the agency and the community. It is directed toward the Department's mission, values, goals, and objectives. It is designed to enhance the professional development of our personnel through the integration of academic and technical training along with preparing officers for succession in the ranks. Consequently, proper and timely training reduces exposure of the Department and the City to civil and criminal liability. Throughout the entire career of a Rolling Meadows Police Officer, training is offered to develop skills, enhance officer safety, and protect our citizens.

One of the goals of the Rolling Meadows Police Department is to provide training for our officers that are current, applicable, and diverse. The State of Illinois also requires numerous mandates that the Police Department adheres to such as use of force, civil rights, constitutional and proper use of law enforcement authority, cultural competency, human rights, mental health awareness, procedural justice, along with trauma informed response and investigation of sexual assault and abuse to name a few. Among the ways we accomplish all of this is to provide reviews of policy, case law, local ordinances, and state and federal statutes. Much of this is performed as daily and monthly training bulletins in which officers review a written scenario and then choose the correct response. Another form of training that we provide is in-service training in which the trainers are either contracted certified trainers or our officers with advanced training and/or certifications. They conduct classroom sessions on topics such as medical tactics for patrol, rapid response to active shooters, and school violence response. In addition, officers attend various types of training at off-site locations provided by North East Multi-Regional Training (NEMRT), which is one of 17 Mobile Teams of the Illinois ASSIST Program.

FAMILY NIGHT WITH THE COPS

On Saturday, August 3, 2019, the Rolling Meadows Police Department hosted the first annual "Family Night with the Cops". The event treated kids of all ages to fun, games, food, as well as a movie with Police Officers. Fun included kids trying to dunk Chief John Nowacki in the Dunking Booth. Games included tug of war, balloon toss, relay and sack races. Kids and their parents enjoyed hot dogs, popcorn and cotton candy, while watching "THE LEGO MOVIE 2". The event was a success with all enjoying a good time throughout the night.

NATIONAL NIGHT OUT

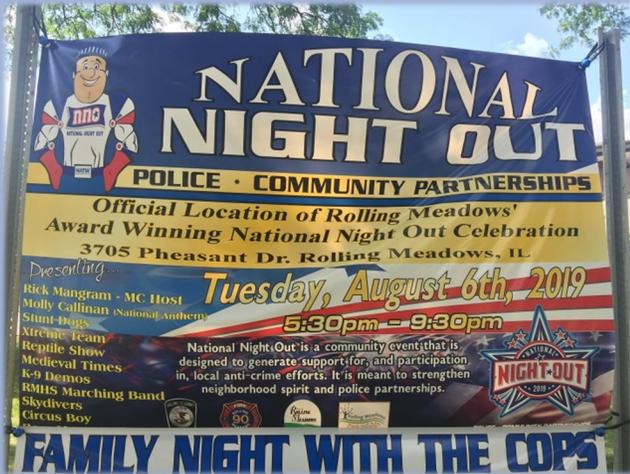

National Night Out (NNO) is an annual event meant to improve Police-Community relations. The event is held on the first Tuesday in August throughout the United States. The event is coordinated by the National Association of Town Watch. National Night Out started in 1983 and has grown annually. Rolling Meadows first participated in NNO 2013 and has participated every year since. On Tuesday, August 6th, 2019 the Rolling Meadows Police Department joined more than 16,000 other communities from all over the United States to celebrate National Night Out, America's Night Out Against Crime. The event promoted involvement in crime prevention activities, police-community partnerships and neighborhood camaraderie.

Through the Police Department's encouragement and promotion, approximately 4000 residents came out and showed their community spirit while at the same time networked with members of the police department. For the many that were there at the start, they were treated to the spectacle of 3 skydivers from Chicago Skydivers that plummeted more than 5,000 feet from the sky to their landing spot in the center of soccer field. The Lt. Dan Band's own Molly Callinan opened the night by singing the National Anthem and Star Spangled Banner to all attendees and participants.

NATIONAL NIGHT OUT

The Rolling Meadows Park District, along with members of the Rolling Meadows business community, has supported the Police Department's National Night Out event by sponsoring entertainment which included:

- ★ Stunt dog show with K-9 Flight
- ★ Chicago Bears Mascot "Staley"
- ★ Exotic reptiles with the Traveling World of Reptiles
- ★ The Rolling Meadows High School Band
- ★ Battle between the Knights of Medieval Times
- ★ The Basketball Acrobats Xtreme Team
- ★ Magnificent display of police K-9 activities performed by our very own K-9 Scar and his partner Officer Chris Don
- ★ Narration and hosting by a professional Emcee
- ★ Entertainment acts by Circus Boy

Some of our local businesses (J.C. Restorations, Costco, Culver's, Grande Jakes, Jewel, Meijer, and Papa Saverios) provided food and we had two very successful free raffles via Ring Cameras for attendees. The Rolling Meadow's Fire Department, Public Works, and local businesses all participated and helped make National Night Out a true community-wide success, ending with a great fireworks display by Mad Bombers Fireworks!

NATIONAL PRESCRIPTION DRUG TAKE-BACK

On October 26th, 2019, The Rolling Meadows Police Department and the Drug Enforcement Administration hosted a National Prescription Drug Take-Back Day event where people could drop off medications and safely dispose of old and unused prescription medications. This is the 10th annual campaign since its inception in 2010 and the 18th event held. Citizens continue to turn in more and more unused prescriptions at these events each year. A total of 4,896 state, local and tribal law enforcement partners (over 100 more agencies than last year) collected over 882,919 pounds of unwanted medicines (approximately 441.5 tons). Illinois collected 29,848 pounds (almost 15 tons). Illinois sponsored 175 collection sites while nationally there were 6,174 sites (over 400 more collection sites than last year).

The National Prescription Drug Take-Back addresses a vital public safety and public health issue. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. The majority of prescription drug abusers report that they get their drugs from friends and family. Commonly abused prescription drugs are opioid painkillers that accounted for a very large number of overdoses. 8 of 10 heroin users surveyed indicated they began by abusing prescription drugs and eventually moved to heroin when they could no longer obtain or afford those painkillers. Rates of prescription drug abuse in the U.S. are at alarming rates, as are the number of accidental poisonings and overdoses due to these drugs. In addition, many Americans do not know how to properly dispose of their unused medicine, often flushing them down the toilet or throwing them away – both potential safety and health hazards.

Since its inception in 2010, 12,699,456 pounds (6,349.7 Tons) have subsequently been safely collected and appropriately disposed.

SECOND CHANCE-HEROIN AMNESTY PROGRAM

Rolling Meadows police officers are in a unique position to offer help to those who need it by partnering with a local heroin intervention program. The Rolling Meadows Police Department adopted a “Second Chance” policy, effective October 1, 2015, to address the needs of any Rolling Meadows resident who comes into the Rolling Meadows Police Department requesting help with their opiate addiction.

The program was advertised through mainstream and social media outlets announcing the ability for heroin users who are residents of the City of Rolling Meadows that are seeking recovery to come to the police station and turn in their heroin and paraphernalia to receive free treatment without any legal ramifications. Participants must be 18 years or older, unless an exception is approved by the department outreach worker, Chief of Police, and the juvenile’s parent/guardian.

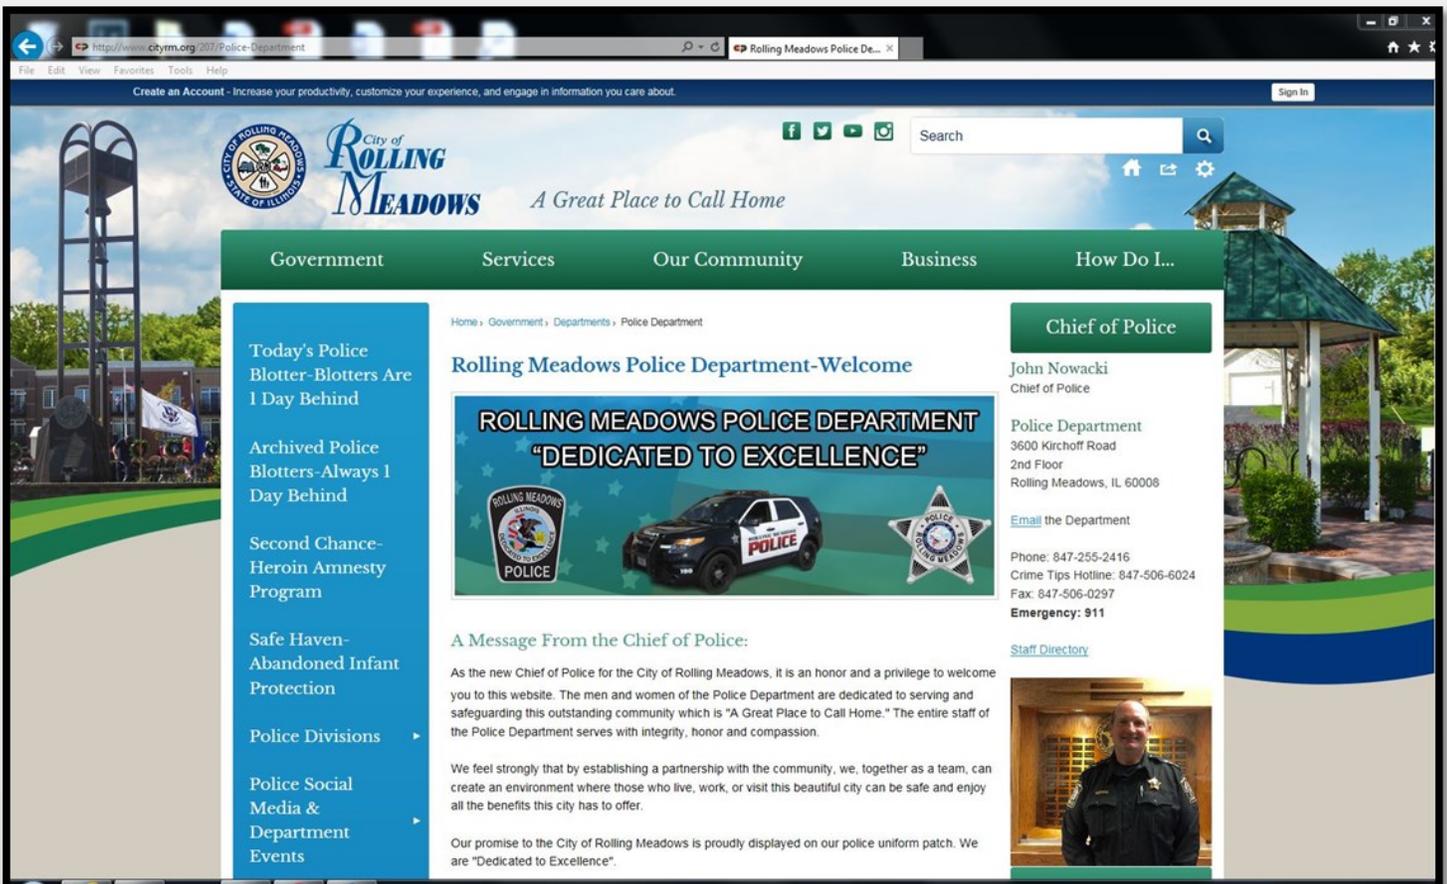

Once an individual comes forward and seeks assistance through the Second Chance Program, they are introduced to Natalia Nieves who is the Rolling Meadows Police Department’s Social Services Outreach Specialist. She conducts an interview with the person in need and makes certain that the appropriate resources are secured based on each individual case.

Participant’s drugs and or paraphernalia are disposed of accordingly through departmental disposal policy.

POLICE DEPARTMENT'S WEBSITE

The Rolling Meadows Police Department maintains its portion of the city's website in an effort to continue the excellent communication that we have with our residents and visitors. The police department's website is an informative tool for the user. The FAQ section addresses common questions that are usually asked of us, along with informative links. The police department also created forms for visitors to be able to download as well as online forms to file a police report that met certain criteria.

We regularly update our site with the latest police blotters and crime prevention information. In addition, more information on crime free multi housing can be found on the attached [link](#) or you can register online for a class. The site also has information on our social services programs. Anyone can visit our site by going to www.cityrm.org and clicking the police department link under the "Government" tab, or go to <http://www.cityrm.org/207/Police-Department> which is the direct link to the police department's website page. SOCIAL MEDIA

The police department continues to be informative with our residents and visitors using social media. We strive to find ways to keep the citizens of Rolling Meadows and its visitors informed of department and City events or emergencies, and to also engage the residents with this form of technology. We continue to show our residents and visitors a more approachable side of the police department and what we strive to accomplish in the community using our social media program, and ongoing involvement within the community. We use social media platforms such as Facebook, Twitter, YouTube, and Instagram to accomplish this goal.

By accomplishing this goal through social media, the police department wishes to be able to disseminate the following information quickly and efficiently to keep the public informed:

- ◆ Road closures
- ◆ Emergency incidents
- ◆ Weather alerts
- ◆ Amber alerts
- ◆ Community warnings
- ◆ Police wanted assistance
- ◆ Community events

The police department continues to be successful in the use of the social media accounts that we maintain. By using these accounts and keeping our residents and visitors updated on events within the city and police department we have found that the use of social media tools is effective and a great way to communicate to our residents when they seek information quickly. In the Final Report of the President's Task Force on 21st Century Policing it is stated "They should also address issues surrounding the use of news and social media, encouraging the use of social media as a means of community interaction and relationship building, which can result in stronger law enforcement." We believe that we have met this goal of the President's Report with our social media program. In order to avoid fraud and let a user know that they are on the actual department social media account, the Police Department has all our social media accounts verified through Facebook and Twitter. The user will know they are on the department's social media sites of Twitter and Facebook by seeing the checkmarks next to the department name which is how one knows the site is the official page of the police department.

SOCIAL MEDIA

Rolling Meadows Police is on Nextdoor, the private social network for neighborhoods.

Illinois / Rolling Meadows / Rolling Meadows Public Agencies / Rolling Meadows Police

As part of our commitment to the residents to engage in these social media platforms the police department has also joined Nextdoor.com, which is essentially a virtual neighborhood watch. Only Rolling Meadows residents can join Nextdoor by confirming their residence through an address verification indicating that they are in fact a Rolling Meadows resident by going to this link <https://nextdoor.com/agency/rolling-meadows-police/?i=rjbkgfrvjyvdegbuspea>.

The police department feels this tool allows neighbors to speak to each other through social media and is a great way to send specific targeted information to certain neighborhoods. For example, if there is a rash of car burglaries in a certain neighborhood, using the Nextdoor platform allows the residents in this neighborhood to learn of this information and they are encouraged to call the police or share any information they might have by sending photos, videos, or a simple message.

SOCIAL MEDIA

The police department promotes events that encourage community and police partnerships such as our Family Night with the Police, Block Party, Family Days, and National Night Out, just to name a few.

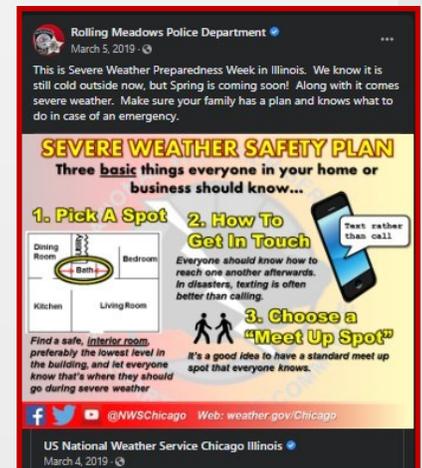

We again participated in Shop with a Cop by partnering with Meijer and Walmart to provide underprivileged residents in the City with a chance to make their Christmas wishes come true. We also participated in assisting a local food shelter with another food drive and continue to participate in National Drug Takeback day.

The police department is also committed to getting residents involved with their city pride by showing off their holiday spirit and decorated homes. We received a donation from Ring and were able to provide the top 3 houses with a Ring Video Doorbell 2. We have found great success by interacting with the residents and continue to receive positive comments with this social media program.

In conjunction with using the Facebook Page, we also utilize a Twitter, Instagram, and the YouTube account so residents and visitors can view videos from National Night Out or other beneficial videos. The police department utilizes the Twitter account to tweet live traffic incidents or other community alerts that need to be addressed immediately. Also, the Twitter account will “tweet” messages from our Facebook Page so the account is always posting information. The department also has an Instagram account and posts department photos.

Sgt. John Manfredi has been assigned to social media duties since 2013 and is responsible for this program, along with the police department’s portion of the city website. Sgt. Manfredi is always looking

for different ways to engage our residents through social media and has developed a strong following of individuals through the police department’s Facebook Page. Since starting this program, the Rolling Meadows Facebook Page has over 6,000 followers. Through Facebook, the police department with assistance from Officer Kurt Herman, Jason Everett, and Sean Biltgen is consistently engaging residents about department and city events along with safety information and department accolades. The police department is constantly looking for different social media and community opportunities to keep the citizens and visitors of Rolling Meadows informed, and at times entertained, and is consistently researching other social media options and opportunities to implement for users. With the assistance of Officers Herman, Everett and Biltgen, Sgt. Manfredi is currently looking at different avenues of social media and is looking at ways to eventually reach the youth in our community more through this powerful technology.

IN MEMORIAM K-9 “HARLEY”

MESSAGE FROM FORMER K-9 OFFICER STEVE WHETSTONE ON THE PASSING OF RETIRED RMPD K-9 “HARLEY” IN 2019

“First, I’d like to thank Chief Nowacki, Deputy Chief Sircher, Commanders Fior and Spanos, the Council and the residents of Rolling Meadows for their continued support over the past few months since Harley’s passing. I’d also like to acknowledge my family and the K9 handlers that are present this evening. While I haven’t had the privilege to work with many of you, there’s a bond amongst handlers that few officers have the honor of sharing.

Harley’s first duty was to serve the City but became an immediate member of my family. We spent 4 years driving around together and he spent the next 7 protecting my house from every mailman, delivery guy and squirrel around. My house has become uncomfortably quiet since November.

I can tell our Golden misses him too.

He was an exceptional friend, partner, and family member. I miss him every day. He can never, will never, be replaced.

Again, thank you Chief, thank you DC and thank you Rolling Meadows.”

Your Continued
Support!*
