

ComEd Tree Trimming In Our Area

Please be aware that ComEd has notified the City and affected customers and property owners that they will be doing tree and vegetation maintenance in Rolling Meadows. Included in the information is; (I) a statement of the vegetation management activities planned, (II) the address of a website and a toll free telephone number at which a written disclosure of all dispute resolution opportunities and processes, rights, and remedies provided by the electric public utility may be obtained, (III) a statement that the customer and the property owner may appeal the planned vegetation management activities through the electric public utility and the Illinois Commerce Commission, (IV) a toll-free telephone number through which communication may be had with a representative of the electric public utility regarding the vegetation management activities, and (V) the telephone number of the Consumer Affairs Officer of the Illinois Commerce Commission.

Please note, this is not a City program. Therefore, calls to the City will likely not result in the answers or information you might be seeking. Instead, we encourage you to contact ComEd for more information about vegetation maintenance along power lines and ComEd's "Right Tree, Right Place" program, at: <http://www.ComEd.com/Trees>

As always questions and concerns can be directed to ComEd by calling 1 (800) Edison-1
