## City Manager's Office

3600 Kirchoff Road, Rolling Meadows, IL 60008 • [www.cityrm.org](http://www.cityrm.org) • ☎ 847.394.8500 • 📠 847.394.8710

June 12, 2025

Citizens of Rolling Meadows,

The City of Rolling Meadows is pleased to present the City's tenth Popular Annual Financial Report for the Fiscal Year ended December 31, 2024. This report provides a brief analysis of where the City's revenues come from and how those dollars are spent, as well as trends in the local economy.

The information in this report is based on the City's 2024 Annual Comprehensive Financial Report which represents the City's official audited financial statements. The City's official financial statements received a favorable opinion from its independent auditors affirming that the financial statements are fairly presented in conformity with generally accepted accounting principles.

Every year, since 1985, the City has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA). This achievement, along with the creation of this Popular Financial Report reflects the City's strong commitment to fiscal accountability and integrity.

We are pleased to announce that the Government Finance Officers Association (GFOA) has given an Award of Outstanding Achievement in Popular Annual Financial Reporting to the City of Rolling Meadows for its Popular Annual Financial Report for the fiscal year ended December 31, 2023. This prestigious, national award recognizes the City for conforming to the program's standards of creativity, presentation and usefulness to the reader.

Achieving the highest standards for financial operations also helps the City maintain its excellent credit ratings with Moody's Investor Service (Aa3 rating) and Standard & Poor's Rating Services (AA+ rating). These allow the City to borrow money through bond issues at lower rates, which can save taxpayers considerable sums of money over the life of the loan.

We hope upon reading this report, you will have greater insight into the City's financial condition. If you have any questions or comments regarding information in the document, or any City financial report, please contact Finance Director Molly Talkington at 847.870.9041.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rob Sabo".

# City Government

The City of Rolling Meadows is located in northwest suburban Cook County, Illinois, roughly 27 miles from downtown Chicago.

The City provides a full range of municipal services including public safety, public works, planning and zoning, community development, finance and general administration.

The City operates under a council-manager form of government. The City Manager administers the City's day-to-day operations. The legislative authority of the City is vested in a seven-member council, each elected from their respective wards. The Mayor is elected at large. Each alderman and the mayor serve staggered, four-year terms with term limits. The public voted by referendum to eliminate the elected city treasurer's position in 2006, and subsequently those duties were assigned to the Finance Director.

## Local Economy

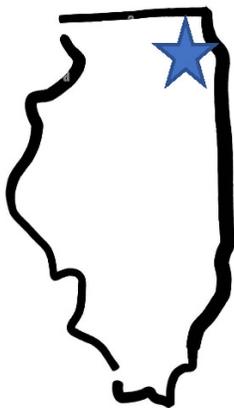

The City of Rolling Meadows encompasses 5.5 square miles and is centrally located within the "Golden Corridor", with O'Hare airport approximately 10 miles east of the City. The 2020 Census reported Rolling Meadows as the 97th largest city out of 1,369 cities in Illinois a population of 24,200. The City's development, like that of much of the Northwest suburbs, traces to the early-mid 1950's when the Illinois Toll Road and O'Hare International Airport were under construction.

Rolling Meadows is part of the Chicago Northwest suburban area that encompasses 32 communities along Interstate 90 from O'Hare airport to Elgin, Illinois. This "Golden Corridor" is home to approximately 900,000 persons, as of the 2020 census, and employs more than 550,000. The diversity of commerce and industry provides a stable economic base which, in turn, fosters outstanding municipal services, educational systems, health and human care agencies and recreational facilities.

The City prides itself on being a business-friendly community as evidenced by 67 new businesses opening their doors in Rolling Meadows during 2024.

During December 2024, the Cook County unemployment rate was 4.3%; lower than the State's at 5.0%. The national average was 4.0% for 2024.

Additional financial information regarding the City can be found at [www.cityrm.org/233/Financial-Reports](http://www.cityrm.org/233/Financial-Reports).

# Financial Statements

## City's Financial Data

The tables on the next page are condensed forms of the financial statements within the Annual Comprehensive Financial Report. The City's Annual Comprehensive Financial Report contains very detailed information and data. The Annual Comprehensive Financial Report should be read in conjunction with the Popular Report. Interested users may obtain a complete copy by visiting the City's website at [www.cityrm.org](http://www.cityrm.org). The Popular Report is consistent with Generally Accepted Accounting Principles, however, it is not intended to act as a complete set of financial statements and does not include the City's component unit, the Public Library.

The Statement of Net Position (the City's Balance Sheet) and Statement of Activities (the City's Income Statement) are divided between governmental and business-type activities to distinguish functions of the City which are principally supported by taxes and intergovernmental revenues (governmental activities) from those functions which are intended to recover all or a significant portion of their costs through user-fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, public works, health and welfare and economic development. The business-type activities include utilities and refuse collection.

The Statement of Net Position presents information on all of the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating. The City reports restricted net position of \$3,009,090 at December 31, 2024, which is legally restricted for public safety, highways and streets and tax incremental financing district related items. The City's investment in capital assets (net of debt used to purchase such assets) amounts to \$161,072,826 at December 31, 2024.

The fiscal year 2024 activities of the City of Rolling Meadows caused total net position to increase by \$2.7 million for governmental activities before a restatement of -\$2.7 million and to increase by approximately \$1.0 million for business-type activities before a restatement of -\$0.1 million. While the overall increase is relatively flat compared to FY 2023, the City continues, as a whole, to keep a diversified base of assets. The City of Rolling Meadows' total net position at the end of the end of fiscal year 2024 is \$134.0 million. However, for FY 2023, there was a restatement of the total net position from \$133.1 million to \$130.3 million. The restatement resulted in a \$2.8 million reduction in net position due to the implementation of GASB Statement 101, Compensated Absences, and an error correction in capital assets related to the implementation of GASB Statement 96, Subscription-Based Information Technology Arrangements. The restatement and other key elements are shown on Table 4 on the following page. The basic premise of this financial statement is to reflect the relative type of revenue in that the format identifies how each function of the government on the whole draws from general revenues, utility fees, grants, or other fees.

<b>City Statement of Net Position</b>			
	<b>2024</b>	<b>2023</b>	<b>2022</b>

<b>Total Net Position</b>	<u>\$ 133,965,329</u>	<u>\$ 133,064,254</u>	<u>\$ 125,162,499</u>

The Statement of Revenues, Expenses and Changes in Net Position below summarizes the reasons behind the change in the City's net position. Revenues include program revenues (charges for services and grants that directly relate to the provision of certain City services) and general revenues (majority of which are property taxes).

	<b>City Changes in Net Position</b>			<b>% Change from 2022</b>

The General Fund represents approximately 64% of the City's operating activities and accounts for the majority of all of the City's primary activities. The City's General Fund has stabilized over the last several years with a reduction in expenditures and better than anticipated revenues in some areas (many of these revenues are one-time increases).

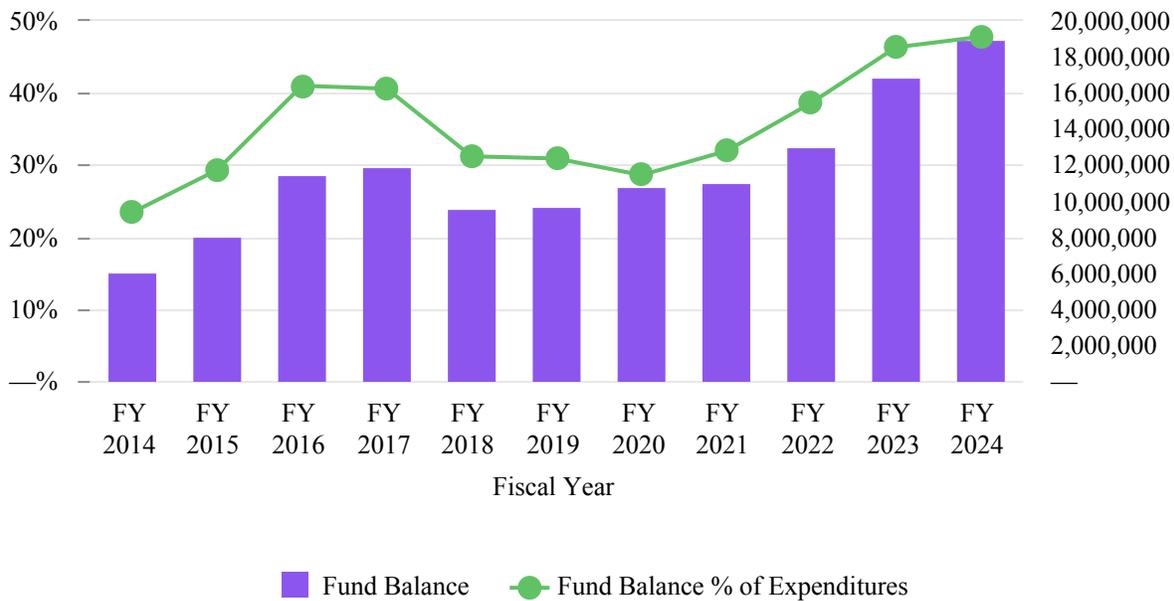

The City is actively engaged in developing new strategies for economic growth and development. Economic Development continues to be a priority for the City of Rolling Meadows. Rolling Meadows is known as a business friendly community and has a reputation as a “Great Place to Do Business”. The City encourages businesses to begin, grow and expand their businesses.

For FY 2024, the City contributed to the Police and Firefighter’s Pension Funds in excess of actuarial requirements. The City’s General Fund’s revenues came in 5% over budget and expenditures came in less than one percent under budget.

As of December 31, 2024, the total fund balance for the General Fund was \$18,952,424 or 48% of General Fund operating expenditures excluding transfers in or out of the General Fund. Of the total fund balance, \$18,949,789 (or 48% of 2024 operating expenditures) is unassigned fund balance (available fund balance for about three months of activities in the General Fund) and is available to meet the City’s ongoing obligations to its residents, businesses and creditors.

The City’s commitments on total fund balance of \$18,952,424 include \$2,635 as nonspendable for prepaid expenses, \$250,000 for ongoing labor negotiations, 27th pay date (approximately every 11 years) of \$345,699, and \$72,435 for branding initiatives and comprehensive plan. The chart below reflects the historical look over the last ten years and the overall gains for the General Fund.

General Fund - Fund Balance History - FY 2014 to FY 2024

# Pension Obligations

## Pension Trust Funds and Post-Employment Benefits

Three pension plans are established by state statute, which cover City employees. The benefits and funding of each plan are determined by state statute, and each plan provides retirement, disability and death benefits for participants. The City of Rolling Meadows is committed to fully funding the pension funds each year per the actuarial report.

In December 2010, the Illinois General Assembly approved pension reform legislation that pushed the 30-year closed amortization period to 2040 with a funding target of 90%. The City of Rolling Meadows maintains the financially prudent approach to continue funding at the 2033 mark with a funding target of 100%. The Firefighters' and Police Pension Funds are fully funded through an annual property tax levy and are funded at the 2033 amortization target vs. 2040. In addition, the City of Rolling Meadows has made additional funding contributions beyond the annual actuarial amount for both the Fire and Police Pension Funds.

The City of Rolling Meadows worked with a private actuary to ensure that the actuarial report for the Police and Fire Pension was current and the actuarial valuation matched the fiscal year. This was accomplished for this audit year. Based on December 31, 2024, the Net Position as a Percentage of the Total Pension Liability (known previously as funded status) for the Police Pension Fund is 69% (an increase from FY 2023 of 4% from 65%) and for the Fire Pension Fund is 59% (an increase from FY 2023 of 5.3% from 53%). The funded status increased primarily due to positive investment returns and voluntary contributions in excess of actuarial requirements.

Firefighters contribute 9.455% of their annual base salary, and police officers contribute 9.91% of their annual base salary. Sworn firefighters and police officers hired after July 1986 contribute to Medicare (1.45% of taxable income).

The Illinois Municipal Retirement Fund (IMRF) pension plan covers civilian employees working at least 1,000 hours within a 12-month consecutive time period. Funding for this pension plan is made through contributions from the employer (actuarially determined annually by the IMRF) and employees of the City (established at 4.5% of total compensation). Employees covered under this pension plan also contribute to Social Security (4.2% of salary capped annually) and Medicare (1.45% of total compensation).

The IMRF pension plan's Net Position as a Percentage of the Total Pension Liability as of December 31, 2024, is 91.50% compared with the last year's funded status at 91.80% (due to negative investment returns). This amount meets or exceeds the State of Illinois' annual requirement for Net Position.

The notes to the financial statement provide more information pertaining to employee pensions. Note: The City has fully implemented Governmental Accounting Standards Board's (GASB) Statements No's. 67 and 68.

The City also provides post-retirement health care benefits for retirees and their dependents. The City finances these benefits on a pay-as-you-go basis. Retirees pay 100% of their health care premiums.

# Financial Policies

## Financial Health and Long - Term Financial Planning

In order to insure that the City continues to meet its immediate and long term service goals, several financial policies and procedures have been implemented by management. Highlighted are some of the more pertinent policies that the City followed in FY 2024:

Fund	Policy	Adoption Year
General Fund	Balance at 20% of operating expenditures	2024
Refuse Fund	Unassigned balance range of 30% to 50% of operating expenditures	2015
E911 Fund	Unassigned balance of 1 to 1.5 times annual expenditures	2016
Garbage Fund	Balance range of \$1.0M to \$1.5M	2019
Liability Insurance Fund	Reserve equal to one year's payment of insurance plus an additional reserve for unforeseen liability payments (approximately \$1M)	2022
Health Insurance Fund	Reserve equal to one half a year's payment of insurance	2022
Utilities Fund	Maintain at least 25% of operating expenditures	2022
Dabt Management	Set parameters for total debt service for the City	2024

The City continues to follow those policies when developing the City's budget and adhering to the policies during the actual year. During 2024, the General Fund Balance policy was updated to realign with current goals for fund balance, and City Council approved a formal Debt Management Policy. Highlighted are some of the more pertinent policies that the City followed in FY 2024:

- The Capital Projects Committee continues to review capital projects and offer recommendations for long-term capital improvements.
- As required by Public Act 97-0609, the City posted employee compensation data for Illinois Municipal Retirement Fund (IMRF) employees who are expected to receive compensation greater than \$75,000. The City took this mandate one step further, to enhance transparency, and published this data for all employees.
- Prepared and reviewed monthly revenue, expenditure and cash balance reporting for all funds with particular focus on the General Fund to the City Council. These financial reports ensure that the City Council is made aware of any variances from the appropriated budget.
- Adhered to a capitalization policy which establishes the capitalization thresholds and estimated useful lives of fixed assets.
- Followed a purchasing policy to ensure that goods and services are obtained in a timely manner at the lowest possible cost.

- Followed a written credit card policy for all business-related credit card purchases. Employees must sign a credit card policy agreement prior to a city-issued credit card being issued.
- Adhered to an investment policy which invests in public funds in a manner which protects principal, maximizes returns for a measured level of risk, and meets daily cash flow requirements of the City.
- The City complied with state-mandated annual treasurer reporting requirements. The report is published in a local newspaper and posted on the City's website.

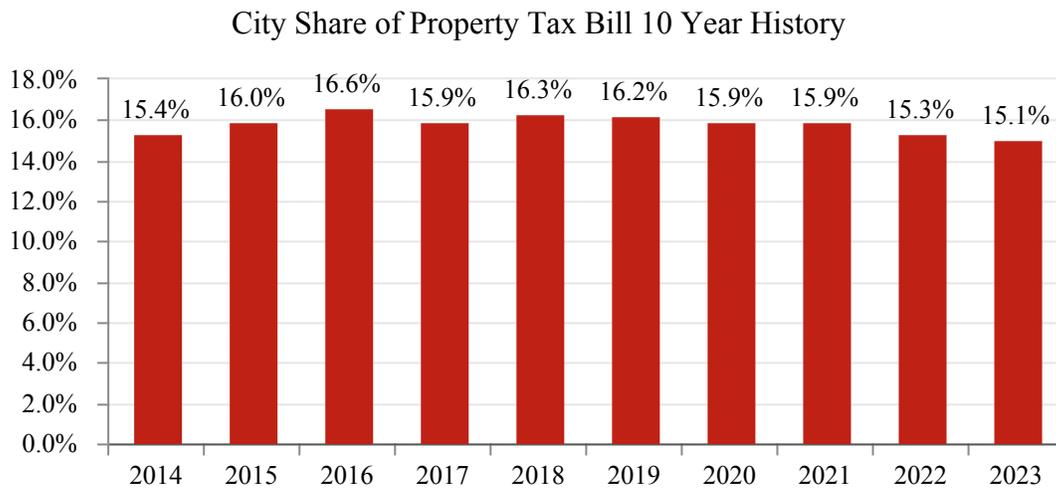

# Property Taxes

## Where Do my Property Taxes Go?

Every dollar of property tax paid by Rolling Meadows citizens is divided among many taxing districts. This year the City portion of the typical tax bill for a Rolling Meadows property owner was 15.1% including the Pension Funds (Elk Grove Township) (Rounding differences may occur).

The chart below shows the City’s share of the average property tax bill (Elk Grove Township) for the last ten tax levy years. The City’s share includes the police and firefighters’ pension funds.

# Major Initiatives

The City is actively engaged in developing new strategies for economic growth and development. Economic Development continues to be a priority for the City of Rolling Meadows. The City encourages businesses to begin, grow and expand their businesses within the City limits.

## Recent Accomplishments

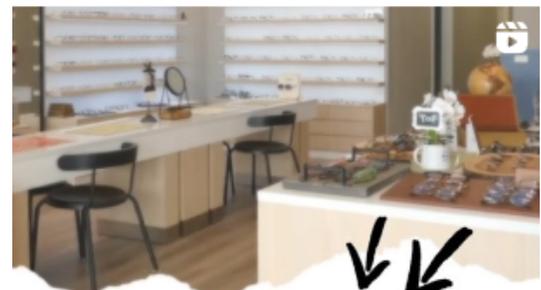

- In 2024, the City had sixty-seven new business openings: Aqua Vitae Engineering, Café of the Grove, Cardboard Cat Games, Doggy Gym & Swim, Eleven 11 Hair Studio, Illinois Sanitation Service, Kneadful Bodyworks, Mission Eyes, Peace Hospice & Palliative Care, Signarama, Sushi Edo, Urgent Vet, Wolf Development, and Zelall Furniture, and others.
- The City engaged in regional collaboration with Next Level Northwest (NLNW), a community-based business accelerator. In 2024, the professional coaching program graduated the Rolling Meadows businesses Pasta Di Casa and State Farm Insurance.
- The 2023 approved Sustainability Plan and Business Development Strategic Plans will help the City reduce its carbon footprint and guide future economic development activities to meet the needs of the City now and in the future. In 2024, engagement meetings were conducted with stakeholders such as commercial property and business owners. The engagement was positive and many are looking to see what the economic development landscape will look like related to the major redevelopment of the former Arlington Park Racetrack property. This property is in Arlington Heights but is surrounded on three sides by Rolling Meadows. Additionally, major vehicular transportation access to the former Racetrack is within the City.

# Rolling Meadows

The annual budget is a management tool that each City department uses to plan, administer, monitor and improve its operations and service levels. It's a legal document through which the City Council carries out its legislative responsibility to control City finances. The budget is also a public information resource that allows taxpayers to understand the finances of their local government. The Fiscal Year 2025 Budget was designed with the intent to strengthen the City's financial foundation while addressing rising inflation and supply chain concerns.

## Fiscal Year 25 Budget Highlights

## Capital Improvement Plan (CIP)

The CIP for Fiscal Year 2025 totals approximately \$16.7M.

Projects include but are not limited to; street and walkway improvements, water, sewer and storm water systems improvements, improvements to facilities and equipment replacement.

The City of Rolling Meadows has been awarded the **Certificate of Achievement for Excellence in Financial Reporting** by the Government Finance Officer Association every year since 1985.

## Let's Compare

Increased visitor opportunities with additional hotel stays. Thank you to our City's hotels for generating stays! Hotel Taxes more than doubled in FY2024 and are projected to continue to grow in FY2025.

The FY2025 Budget includes \$2.0M in anticipated grant funding. Of that, \$259K supports the City's core services in the General Fund and the remaining funding supports the City's capital projects.

On the average resident's tax bill, the City's property tax rate is 15.1% of the total bill. This is a decrease of a percent compared to prior years.

Police and Fire Pension Property Tax Levy continue to be funded at a higher level than the State requirement.

FY2025 expenditures are expected to increase 8.5% or \$7.0M over FY2024 revised budget.
