

2025 Park Street Storm Sewer Improvements Phase 3

CONSTRUCTION NOTIFICATION

Notification Number: 003

Notification Date: 8/1/2025

Effective Date(s): 8/5/2025

Impacted Locations: Park Street

Notification Details: On Tuesday, August 5th, Concept Plumbing will have a milling machine on-site milling the trenchline for the proposed storm sewer installation. Once completed, the millings will be leveled out so the area is driveable. This area will primarily be on the westbound lane on Park Street from the intersection of Meadow to Oriole. (See attached map)

We appreciate your patience and cooperation during this project. You can find more information about the project on the City website: <https://www.cityrm.org/909/Park-Street-Storm-Project>

Driveway Access Impacts: The only driveway impact will be as the milling machine is passing residents driveways.

Street Parking Impacts: No on-street parking during construction hours

Refuse Collection Impacts: Please place refuse & recycle carts at their normal location for collection prior to 6:00 am on your regularly scheduled day of the week. Refuse will be picked up before the start of the work day.

Mail Delivery Impacts: None
